

# Social Storm

Want an easy, effective way to elevate your social engagement and results during Summit?

Sign up for the Team Revolution Social Storm package to expand your social reach into the Microsoft Dynamics Community. We will socialize your posts and build your visibility to 35,000+ Twitter followers and 31,000+ LinkedIn industry contacts.

*"Social media presence has become a key part of conference strategy. Participating in the Social Storm gave us a great boost in engagement and visibility while allowing us to stay focused on our on-site presence."*

Foy Mainor, VP of Sales at Paramount WorkPlace
