

Dr. Chaffin has been practicing dentistry in Phoenix, Arizona since 2004. He is the best representation for dentists buying a dental practice. Accepted early into dental school at the prestigious Loma Linda University School of Dentistry in Southern California, he received his Doctorate of Dental Surgery degree. He completed the curriculum a year early, graduating top of his class clinically and received extensive training in Advanced Prosthodontics. In 2004 he joined a dental practice, Cosmetic and Restorative Dentistry located in Phoenix, AZ. He continued to receive training in complex restorative procedures. He attended the world-renowned Las Vegas Institute (LVI), receiving extensive education in TMJ treatment, current reconstruction techniques and the latest procedures in cosmetic dentistry.

Dr. Chaffin has been published in the Phoenix Magazine on cosmetic dentistry, sedation dentistry and advancements in the treatment of TMJ disorders. The only dentist in Phoenix recognized for his expertise in the treatment of TMJ by the Phoenix Magazine's Medical Directory. Also, the only dentist listed with Medical Physicians in Phoenix, AZ. Dr. Chaffin currently owns & operates 2 dental practices in Metropolitan Phoenix. Dr. Chaffin is a big family man spending most of his time with his family, wife Laura and their son James, Jr, along with his dogs. He loves what he does and prides himself at providing ideal dentistry. As well as, providing prudent advice to dental clients and enriching people's lives.

A business entrepreneur, Dr. Chaffin co-founded Dentcetera, a dental practice solutions firm in 2005. He co-founded edentalspace.com the very first global professional networking site for dental professionals in 2007. In recent years Dr. Chaffin has served banks, landlords and property managers with the recovery, as well as, remarketing of dental practice assets nationwide via Dental Recovery Solutions 360, LLC.
