

BUSINESS SUCCESS BY DESIGN

# THE 30-DAY GAME PLAN

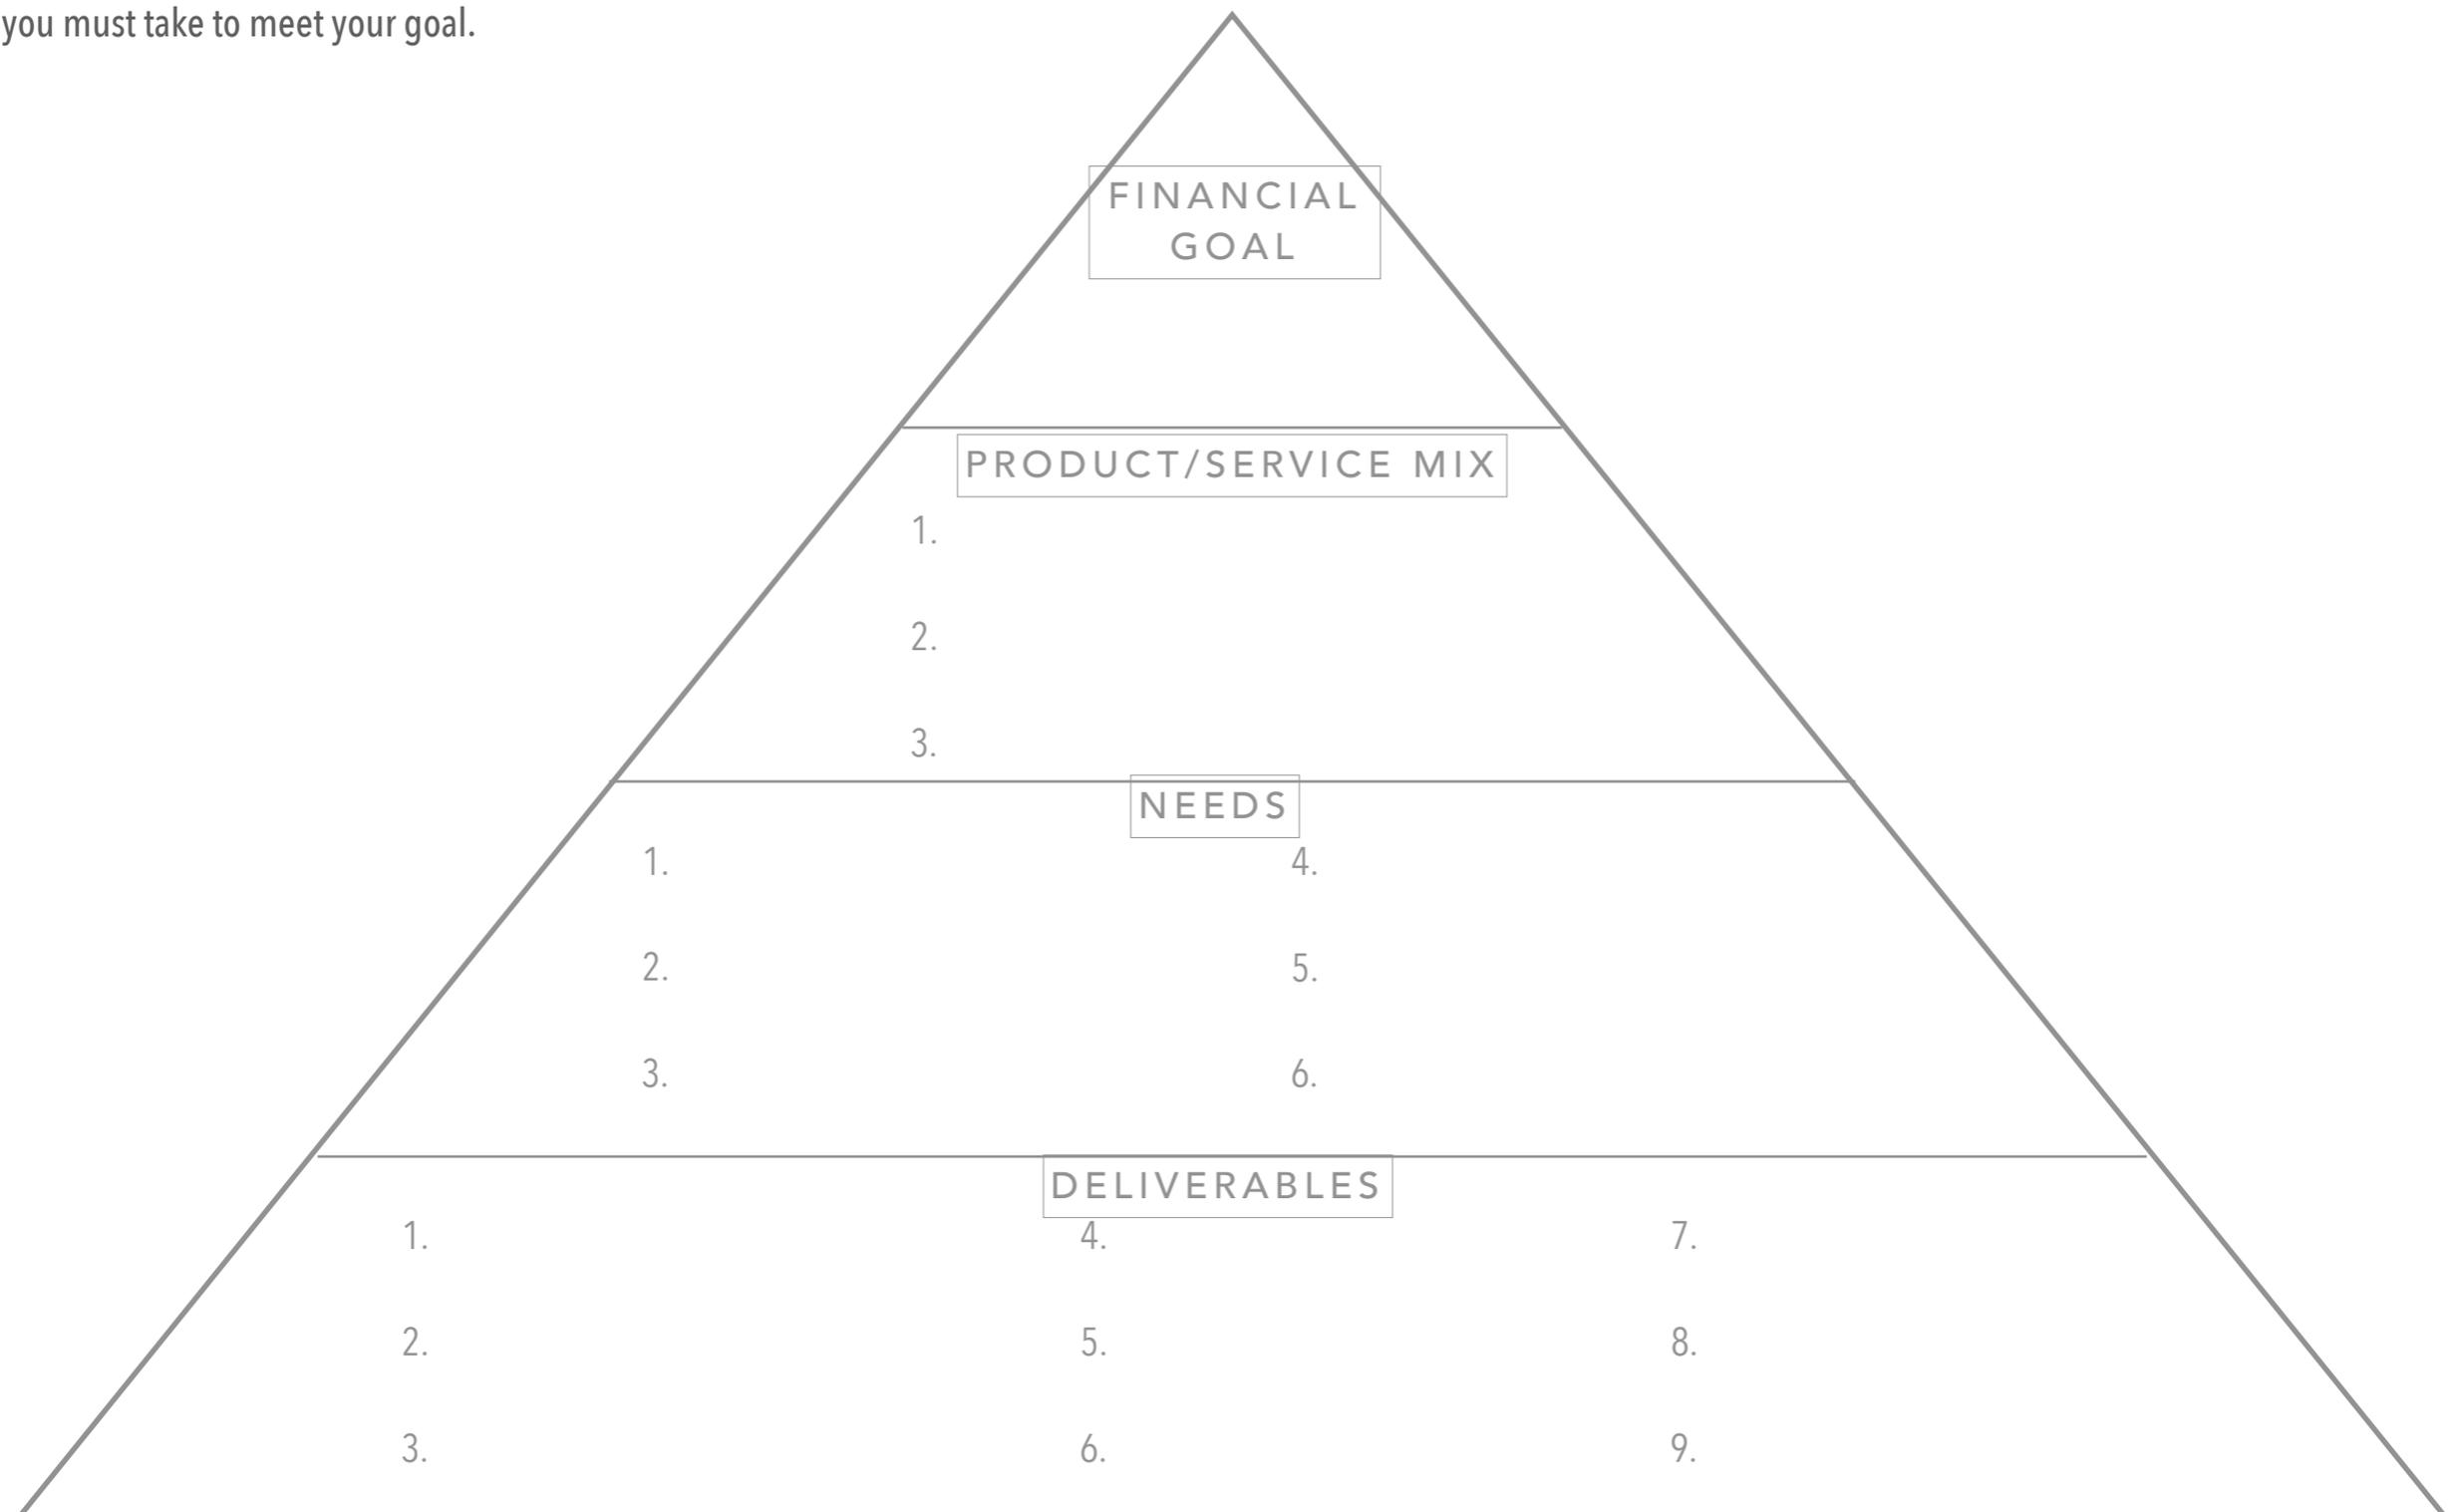

Clarity - The 30-Day Game Plan™

# THE CORE MESSAGING SYSTEM™

# THE 30-DAY GAME PLAN™

Your business financial goals are merely an extension of your personal finance needs to have the life you want. You should know what that number is and also have some understanding of what needs to happen in your business to make it a reality. Use this simple methodology to identify both the number you need and the steps you must take to meet your goal.

# THE 30-DAY GAME PLAN™ - DELIVERABLES AND TASKS

## DELIVERABLES
