# GRADES 11-12

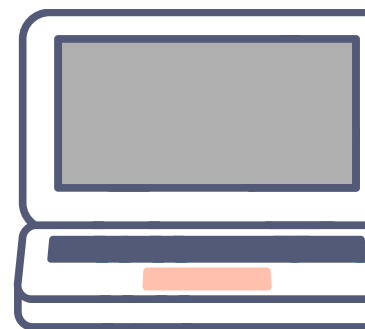

## Focus Areas

- SAT/ACT Planning
- Resume planning and building
- Time Management
- Writing Skills Development
- Course Choices
- College Application planning and assistance
- Interview Prep

# COLLEGE APPLICATION ASSISTANCE

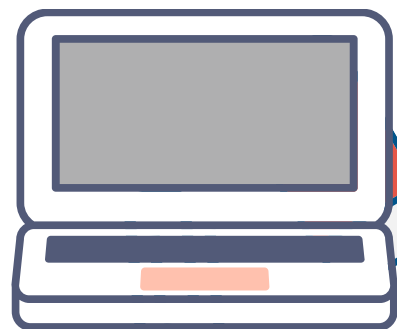

- **College List** : Develop a college list based on academic performance, interest and selection of courses.
- **Essays – the difference makers:** Essays are a key factor in college admissions. However, students find this extremely challenging. Our experts help students with smart structuring and editing of essays. (Note\* we do not write essays for students.)
- **Financial aid and Scholarship:** Guidance on financial aid application and scholarships.
- **Choosing a College:** Upon receiving college acceptances, we help you decide the best fit as per your needs and interest.

# COLLEGE APPLICATION ASSISTANCE

- **Continuous Contact** : Our mentors will be constantly in touch with students and parents on email, whats app, and zoom throughout the process.
- **Stand Out & Be Noticed**: We work with each student to develop a factor that sets them apart during their application process. We also guide students to utilise their summer breaks effectively.
- **Time Management**: We will be constantly working with students to ensure timely submission of college applications.

# WHY RENERGETICS

- We are committed to help you put your best application forward.
- Accessible anytime, in person or through email, phone, zoom video call.
- Personalised mentoring.
- Ensure your college application process is stress free for you and your child.
