

# Wealthsimple – Sensible wealth design made simple

## Investing on Autopilot

Professional investing made simple and affordable  
with smart technology

We help you build an intelligent portfolio of funds that  
are designed to meet your financial goals.

Have you ever told yourself you're going to start saving for your future, but just never got around to it? Or, have you ever wanted to get started, but found the idea of investing or saving for the future confusing, perhaps even intimidating?

What if you can do all of this, all while keeping things as simple as possible, overall costs low and your overall experience as favorable and positive for you?

Let me introduce Wealthsimple

Wealthsimple prioritizes user-friendly design and paperless onboarding for clients of all ages. They've been widely covered by Canada's Business News Network, The Globe and Mail and CBC among others as the one to watch in this space.
