Voice Coach

I grew up in a small town in the North Georgia mountains and started singing at a very young age. My parents and two younger brothers have always been incredibly supportive and share the gift of music with me. One of my favorite memories growing up was unforgettable nights sitting around the back porch singing songs and playing guitar.

During high school, I began to write my own country songs and would sing in every festival or music venue within 100 miles. This eventually led to making my first full length record in Nashville with other writers and musicians at the age of 16.

While I was in college at Georgia State, I was invited to Buckhead Church's college ministry and was later asked to sing. This is where my passion for leading people closer to Jesus through music truly began. I finished college with a PR Degree and a certificate in Music Business. One of my earliest jobs in the music industry was at the GRAMMY Atlanta Chapter. During college I also enjoyed working as a background vocalist with the Elton John tribute band-Almost Elton.

My husband Shane and I live in Vinings and lead worship together for North Point Ministries and Riverstone Church in Kennesaw. I play music on the weekends and song-write during the week. We are truly blessed and fortunate to be able to live-out our calling.
