To Whom It May Concern,

Please accept this letter from the Buffalo Public Schools' Career and Technical Education (CTE) Department in support of developing a partnership with the Pursue Your IT program.

We are excited to collaborate with Cindy Miller and the Pursue Your IT program in their mission to inspire and encourage students to reach their potential. The Buffalo CTE department oversees over 4,500 students in the 7th and 8th grade Family and Consumer Sciences courses.

It is our hope that in working with Cindy Miller and the Pursue Your IT program, that our 7th and 8th grade students will reach their fullest potential through self-awareness and self-efficacy. Cindy Miller's program strongly aligns with the Home and Career Skills' NYS curriculum in the areas of communication and leadership skills, interpersonal relationships, and personal environment management.

Please feel free to contact me for any further information on our potential partnership with the Buffalo Public Schools' CTE Department and the Pursue Your IT program.

Sincerely,

Katherine M. Heinle
