About

Sarah is the founder of RayZen Energy and creator of the RayZen Lightwork Technique. She is passionate about helping her audience realize solutions exist for their chronic health struggles and finding the health freedom they deserve. She has helped hundreds of clients around the world recover their health and reclaim their lives. As a result of overcoming her own significant health challenges, she has dedicated her life to help people uncover the root cause of their symptoms and find lasting health.

As a best-selling author, Energy Medicine practitioner, trainer and advocate, featured in Your Health Magazine and on TV, the power of Sarah Lascano's healing wisdom has helped hundreds from around the country and globe. Her unique fusion of the mind with the physical body helps deliver precise, powerful healing that gets results fast. Her client centered healing process, letting the body illuminate the path to healing, ensures forward momentum in each and every session. Sarah's scientific knowledge of the human body combines with her understanding of the mind body connection in a down to earth, authentic approach. She marries her engineering background and energy medicine knowledge to create powerful and approachable healing.
