MOS's not listed have no requirement for promotion this month.

The Secretary of the Army has reposed special trust and confidence in the patriotism, valor, fidelity and professional excellence of the following noncommissioned officers. In view of these qualities and their demonstrated leadership potential and dedicated service to the United States Army, they are, therefore, promoted to the grade of rank shown. Promotion is made in the MOS shown in the name line and the MOS is awarded as his or her primary MOS on the effective date of promotion. Promotion is not valid and will be revoked if the Soldier concerned is not in a promotable status on the effective date of promotion. Acceptance of promotion constitutes acceptance of a 3-year service remaining requirement from the effective date of promotion for Soldiers selected on a FY12 or later board. Soldiers with over 12 years AFS are required to reenlist for indefinite status if they do not have sufficient time remaining to meet this requirement, or decline promotion IAW AR 600-8-19, paragraphs 1-26 and 4-8. The authority for this promotion is AR 600-8-19, paragraph 4-7. Soldiers on SGM list annotated with an asterisk will receive a manual promotion order in accordance with MILPER 21-131.
