

SPONSORSHIP OPPORTUNITIES

- Employee Resource Groups (ERGs –aka BRGs, Affinity Groups, Employee Networks, etc.) are more critical than ever for attracting and retaining diverse talent.
- They are an expected perk and voice for employees yearning for a deeper sense of belonging by accessing professional development, mentorship, and valuable connections.
- ERGs offer a safe place to learn leadership and other professional development skills, make valuable career connections, and contribute innovative, market-driven ideas to their organizations.

However, employee group leaders typically lack the necessary knowledge and support.

About ELA:

We are the largest association of employee group leaders that include corporate, academic and non-profit organizations. To educate and support ERG leaders at all levels, we offer public and private bootcamps, workshops, eclasses, certification, coaching, online & in person events, as well as research and critical data collection needed to run successful employee groups.

Why sponsor ELA?

- Distinguish your brand/organization as a leader in diversity, equity, and inclusion (DEI).
- Demonstrate your company's DEI commitment to employees and candidates.
- Directly connect with top diverse talent for employee recruiting.
- Give your ERG leaders easier access to expert knowledge, on demand support & valuable credentialing.
- Help lead a like-minded community of potential customers, partners, and personal connections that enable your own and your organization's DEI commitment.

All sponsorships include logo recognition on:

- ELA eblasts (2-3 per month) and ELA website (We have NEW one launching Sep 1!)
