

**FINANCIAL INDEPENDENCE
IS WITHIN REACH**

Proof: our "Missed Fortune" Strategies work

We are Financial Strategists & Advisors with a proven track record since 1980

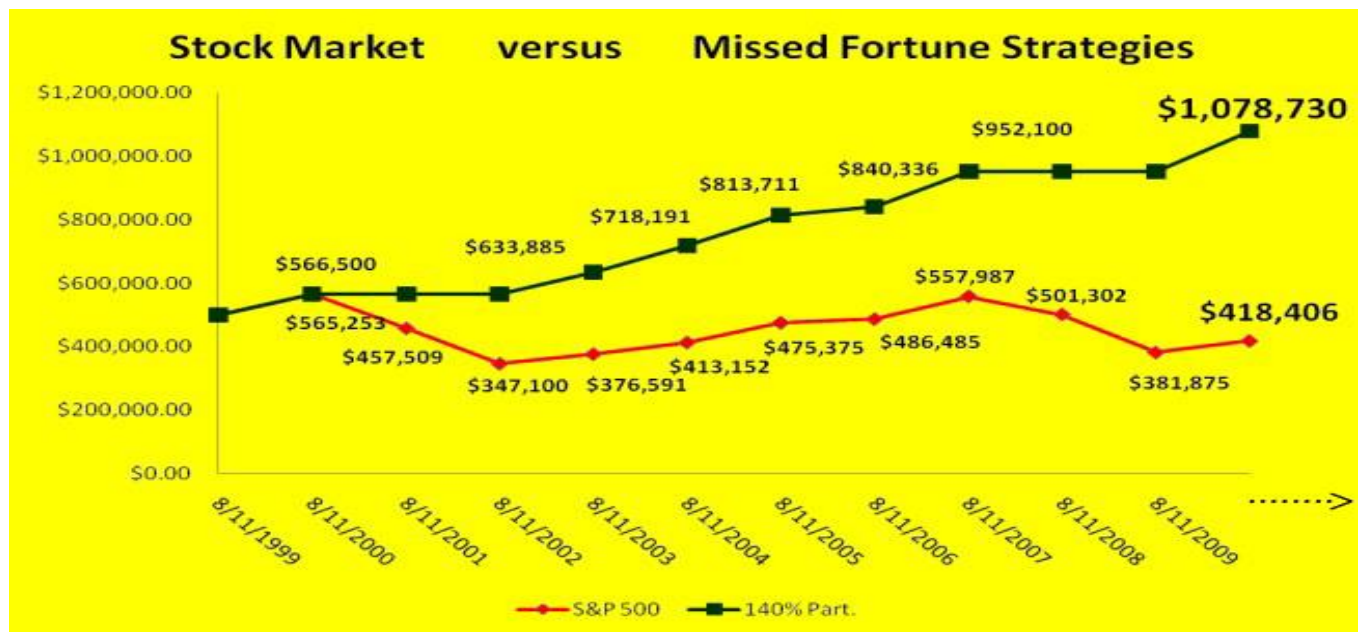

While others **Lose Money** when **Stock Market** goes **Down**, with our Strategic Set-Up,
our client's Money has Grown Consistently in the Same Funds! **HOW & WHY?**

Take a look at the graph below:

\$500,000* put in S&P 500 in 1999, at the **end of 14 years**: (The key is: How we set-up, with-in the Same Fund):
Our MF Strategy of: UP-Side only Lock-in, Re-Set & Re-Start WITHOUT the Downside Risk.

RESULT: Our clients = \$1,078,730 (green) v/s someone direct in Same Fund = \$418,436 (red)
Now, if market goes UP 10% our clients = go up \$107,873 V/S direct = \$41,843 only

This is the power of our planning.

*whether you have 5K or 5 million, results are the same.

Plus, With the talk of overall TAXES going Up!

We show you How to make that Money:

GROW, COMPOUND and PAY-OUT = ALL TAX-FREE

(Did We Know: Money growing in a Tax-Free environment will Pay-Out over 50% MORE for the SAME Dollars).

WE CAN DO THE SAME FOR YOU.
