

Homeopathic Sacred Waters Information Flyer

Hello Friends,

NOVEMBER 1-2 NEW HARMONY, UTAH.

FRIDAY 10AM – 7PM

SATURDAY 9AM – 5PM

This flyer is designed to give basic information about the availability of Homeopathic classes and materials. My new format is that if you attend a class, you may purchase the materials to make a kit and then join a group to help assemble the kits in conjunction with the class. Releases and waivers will need to be signed. These changes are necessary based on new FDA procedures.

General info:

- All remedies are high grade alcohol “Stock Remedies”
- Potencies are 200 C and 1M
- Each Large kit comes in a plastic tote/bin and is packaged for EMP protection.
- The first 3 kits come with a book each, to get you started, no extra charge.
- Kit materials price is \$340 each which is a VERY good price of less than \$4.50 each per remedy.
- New First Aid Travel kit. 50 top remedies and basic repertory. Smaller 2 Dram vials with droppers. All content is 100 proof alcohol for preservation. Packaged in an EMP resistant easy to carry small soft case with handle and 2 internal plastic protective boxes with 25 remedies each. Very convenient at 9”X 6”X 5” total dimensions. Price for these materials is only \$210. This is a \$4.20 per remedy cost and includes all the packaging. You can also duplicate the kits and take them multiple places.

Classes:

- Classes are \$100 for a full day class. Those who have previously made kits are able to attend all classes at no charge. Also if you pay for a materials kit, you will receive an \$80 discount on the class, allowing you to attend the class for only \$20 final cost.
- Classes start very basic in nature and instruction, “newcomer” friendly.

Move to intermediate material and detail instruction. I want people to have a better understanding.
