

**50 Results/Benefits**  
**Learn To Heal Yourself – online membership program**  
**Dr JoAnn Tully**

1. Better sleep
2. More energy
3. Better mental clarity
4. Reduce or eliminate pain
5. Reduce or eliminate the need for medications (with prescribing Dr.'s guidance)
6. Reduce or eliminate the need for supplements, herbs, enzymes, essential oils, etc
7. Reduce or eliminate the need for other treatments (chiropractic, acupuncture, massage, energy healing, etc)
8. Experience more peace
9. Experience more joy
10. Experience more harmonious relationships
11. Hormones that are better balanced naturally (reduce or eliminate the need for assistance)
12. Better digestion
13. Re-connect with intuition/inner guidance
14. Confidence
15. Feel more empowered
16. Ability to love yourself more
17. More time available
18. Learn how to let go of emotions that are harming you
19. Learn how to diffuse anger so you can finally move on (*as though nothing ever happened!*)
20. Learn how to see fear in a different way so you are no longer paralyzed and stuck
21. Learn to use your physical symptoms as a message – symptoms tell you that you are ready to heal a thought or emotion. *Finally* be done with that damn message!
22. Learn how to use your emotions as an informational feedback loop – if you feel better then keep doing what you've been doing; if you feel worse than it's time to make a "course correction"
23. Learn how to use your life circumstances as an information feedback loop – if you like what you see & experience then keep doing what you've been doing; if you don't like what you see & experience then it's time to make a "course correction"
24. Learn to heal yourself – literally! Stop ignoring your body's messages. Take that symptom as a message, learn from it and move on. Learn to do this in as little as 10 minutes!
  - a. Headache
  - b. Neck pain
  - c. Eye Issues
  - d. Sinus/Nasal Issues
  - e. Jaw pain
  - f. Ear ache
  - g. Tooth pain

  - t. Knee pain
  - u. Ankle/foot pain
  - v. Infections
  - w. Gallbladder attacks
  - x. Bladder infections
  - y. Reproductive issues
  - z. Colds/flu
  - aa. Autoimmune Disease
  - bb. Cancer/Tumor
  - cc. High Blood Pressure
  - dd. Lung Issues
25. Have an accident or anything else that requires medical attention (like a bleeding wound or a broken bone)? Seek medical attention, and then learn WHY you attracted the accident or scenario to you. Stop the lesson from needing to occur again.
  26. Improved immune system
  27. Learn to listen to your own guidance and be led in how best to heal yourself from any chronic illness
  28. Discover your purpose in life
  29. Reduce or eliminate the constant negative mental chatter in your head
  30. Learn how to use your inner guidance system to question your beliefs
  31. Discover how to find your own truth, and not have to rely on what others believe
  32. Learn the basics of Quantum Physics
  33. Learn the basics of Law of Attraction
  34. Get your life back
  35. Get your energy back
  36. Be able to function again
  37. Be able to work again (and love what you do!)
  38. Enjoy life again
  39. Enjoy indescribably better sex (if you want)
  40. Restore trust, joy and peace in your relationship with others (significant others, kids, parents, co-workers, pets)
  41. Learn what is really going on when our children & pets become sick
  42. Learn how to meditate in the best and most productive way for YOU
  43. Enjoy the journey
  44. Learn how to be open to infinite possibilities
  45. Discover how you have been boxing yourself in, blocking good things, and basically getting in your own way – then learn how to stop doing this!
  46. Heal yourself from addictions – food, drugs, alcohol, smoking, sex. Learn that the void you were trying to fill was to love yourself, then learn how to move safely in that direction
  47. “Bad” genes are turned off. Example: methylation issues gone
  48. Create healthy cells within a healthy mental environment
  49. Things that used to bother you no longer do
  50. People that used to bother you, like in-laws and ex’s 😊, no longer do
