

JAPAN'S SHINTO SHRINES

What has been concealed will be revealed. (Mt. 10:26) Pagan shrines are only about one thing: sexual fertility. On the first Sunday of April in Kawasaki, Japan, Shinto priests officiate in a festival called **Kanamara Matsuri**, or penis festival. With the same kind of warm-hearted fervor the western world embraces Christmas and Santa Claus (who is vicariously Nimrod) the Japanese culture celebrates sex. Giant penises and vaginas are paraded through the streets and around the Shinto shrines. At least 95% of the population is Shinto or Buddhist, and they view their behavior as completely normal. Instead of feeling shame, they are profoundly gleeful about their behavior.

The western mind is appalled at such open debauchery, yet they fail to see how they do the same thing with the Christmas tree, ornaments, tinsel, and wreaths. These are the western versions of penises, testicles, semen (tinsel, and rice at weddings), and vagina-wreaths displaying our debauchery on every door, and trees on display in every window. Yahuah ordered us to never bring such abominations into our homes (Dt. 7:25-26). December 25th was originally the time of the rebirth of all solar deities, the birth (nativity) of the Sun. **Nimrod** was deified as the Sun, which is why we see his ancient persona now called **Santa** flying all around chimneys at this time of year. Nimrod was the first "super-man," becoming every Sun deity - **Krishna, Molok, Apollo, Zeus, Woden**, etc. Our guilt remains if we claim we see, yet fail to teach our children Truth. Through us they will inherit Truth, or the futility of their fathers to the third and fourth generations before them who hate Yahuah. Nimrod started it all.

IRRATIONAL DELUSION

Believing obedience to Yahuah's Torah (that guides us in how to love Him and one another) is sinful in any way is **irrational**.

The one who loves Him is the one who obeys His Word. (Yn. 14:21)

All our transgressions are forgiven, being **justified** only by Yahusha's blood. We are redeemed completely once for all. Our **obedience** is the fruit of His Spirit **living in us**, enabling us to live by every Word that proceeds from the mouth of

Yahuah. To think we are wolves howling to get attention because we teach obedience is to **misidentify the Spirit living in us**. If we are not to obey the Torah, why does Malaki 4:1-6 tell us to remember it or else Yahuah will utterly lay waste the whole Earth just prior to Yahusha's return on the Day of Yahuah? Why is the dragon enraged at those who **obey Yahuah's Commandments and testify of Yahusha** at Rev. 12:17?

Rev 22:14-15: **"Blessed are those doing His Commands, so that the authority shall be theirs unto the Tree of Life, and to enter through the gates into the city. But outside are the dogs, and those who enchant with drugs, and those who whore, and the murderers, and the idolaters, and all those who love and do falsehood."**

VALENTINE'S DAY

TRUE ORIGINS

A ROMAN ORGIASTIC FERTILITY FESTIVAL UNDER A NEW NAME

Nimrod's scheme of Astrology set up all the rebellious annual festivals we see everyone captivated by. The patterns of serving the host of heaven became all the Christian "holy days." Changing the names of them doesn't cover up their stench. The perspective (mind, viewpoint) of the flesh blocks us from seeing things as Yahuah sees them. If we abide in His Word, we are truly His pupils and we will know the Truth, and the Truth will set us free. - Yn. 8:31-32

ROME'S FERTILITY FESTIVAL CELEBRATING ROMULUS AND REMUS

Valentine's Day is the occult (hidden) fertility festival of **Dionysus**, the **deity of orgies** and wine. Rome called it Lupercalia (wolf festival). They have spun **new reasons** for observing this fertility festival, and **names they call it**. They shifted it from Feb. 15th to Feb. 14th. The hearts, arrows, and Cupid idol are being programmed into children in most schools so they will grow up to teach this behavior to their children. These traditions handed-down to us are the curses we inherited from our fathers who refused to obey Yahuah's Commandments, and **"the children's teeth are set on edge."** This proverb refers to a **famine** of Yahuah's Word. Those who hate Yahuah are those who do not obey His Commandments, but turn aside (as dogs) to the idols of the nations by their behavior. The second Commandment shows this: "For I, Yahuah your Alahim, am a jealous Al, visiting the **crookedness** of the fathers on the children to the 3rd and 4th generations of those who hate Me, but showing kindness to thousands, to those who love Me and guard My Commands." Ex. / Shemoth 20

ALL ORIGINS MATTER

The things the world loves are oftentimes things Yahuah despises because He knows the true origin of them. The popular custom of "Groundhog's Day" (divination by means of observing the emergence of hibernating animals to prognosticate the arrival of spring) is nothing we should be doing, yet people seem to pay attention

in blissful ignorance to every pagan thing. "Inauguration Day" (from the custom of AUGURY, divination using portents based on the flight patterns of birds, or aves) is a vestige of ancient Greece and Rome. Augurs were the only ones allowed to foretell future events to guide the rulers and military commanders to make their decisions. The first King of Yisharal consulted a whisperer, the witch of Endor, to predict the outcome of a future battle. He turned away from Yahuah, and went the way of Nimrod. **Rebellion is as witchcraft.** The old adage, "it doesn't mean that to me" won't fly when the **reapers** come to burn all things offensive. Yahuah makes the omens of the diviners into foolishness. As we are being refined, we purge the dross out of our lives. I remember when I had to eliminate all icons such as crosses from my life over 30 years ago, and began a journey out of men's traditions by obeying the things I saw written in Yahuah's Word. The Truth is like a bright light, and exposes the darkness - but the gentiles find the darkness very pleasing until someone shines the Truth on what things mean.

INHERITED ONLY LIES

"Our fathers have inherited only falsehood, futility, and there is no value in them." - YirmeYahu 16:19b

"The simple shall inherit folly, but the clever are crowned with knowledge."

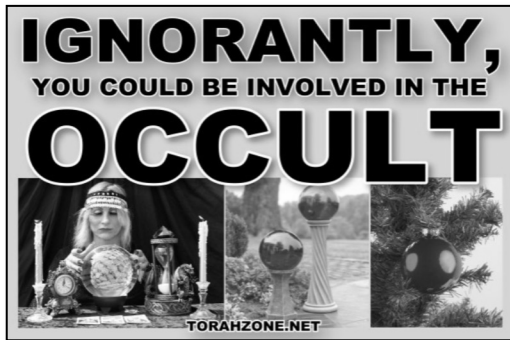

- Proverbs 14:18

WHY WE DON'T SEE THINGS

The occulted (hidden) meanings behind all symbols of witchcraft are on two levels: **esoteric** - the true meaning is revealed to those initiated into the upper levels. **exoteric** - the surface meaning shown to the masses. This is why you didn't know.

The symbols they cherish don't mean anything sinister to them because the meaning is "occulted" - hidden to them. People perceive the "exoteric" meaning. When we show the esoteric (secret insider's meaning), they react with comments like **"it doesn't mean that to me."**

The Catholic Circus adopted every vestige of paganism and revised the meaning to apply to some aspect of the new faith. This is called syncretism, and is exactly what Yahuah told us to not ever do. The Christmas Trees, wreaths, Maypoles, rabbits/eggs, and so on don't appear to be connected with **fertility** at all to people. The **heart-shape** is repulsive to Yahuah not because it's the shape of an ivy leaf, but it's association with a fertility practice. Think about what it looks like, and you'll see what He sees. What has been hidden is being revealed, and shouted from the rooftops. Maypoles are witchcraft closely related to all the other fertility customs. The famous author Arthur Conan Doyle (a promoter of Spiritism) said in one of his books, **"You see, but you do not observe."** **Syncretism** merges opposing ideas and beliefs together, confusing the good seeds (teachings) with corrupt seeds. GMO zombie-seeds corrupt the whole food supply, and produces death through its cancerous side-effects. Practicing evil traditions produces spiritual drunkenness, and opens a person to **demonic activity**.

People strive to find Truth, but they cling to traditions instead. This is the leaven referred to at MatithYahu 16.

WHAT IS THE HEART SYMBOL?

It is the symbol of debauchery, derived from the name of the Roman deity: **BACCHUS**. His symbol is now promoted in association with "Valentine's Day." It was the same symbol of the Greek deity of wine and debauchery: **Dionysus**. We derive our word "debauchery" from the Roman form of the deity's name. The heart is the image of an ivy leaf, worn as a wreath by Dionysus during his feasting and orgies. Dionysus was honored for the grape harvest, winemaking, fertility, theater, orgies, and drunkenness. His symbol for orgy is now utilized by the ivy leaf, often shown with an arrow piercing it. Bacchus corresponds to Nimrod the archer, Sagittarius or Cupid. Another name for him is Orion, the hunter. The arrow penetrating the heart-symbol is coital. Bacchus is seen in art wearing a wreath of ivy leaves on his head during orgiastic rituals.

CUPID'S ARROWS

Another Roman deity based on a Greek one is Cupid (desire) and his golden arrows.

The mythological child of Mercury and Venus, Cupid inflamed erotic desire in all who would offer to him. Cupid and hearts are thought to be good, yet are far from it. Woe to those who call good evil, and evil good. (YASHAYAHU / IS. 5:20-25)

People program their children with fertility. Orgiastic love is represented by the arrow penetrating the heart-shape (occult imagery of the male and female genitalia INTERPRETED as other objects). The world is triple-X rated. When you see a heart-shape with an arrow through it, you are really seeing the **symbol for orgy** - to Yahuah it is **debauchery** (from Bacchus) and the highest level of fornication. People simply don't realize what they are training their children to perform.

GREAT IGNORANCE IN THEM

"So this I say, and witness in the Master, that you should no longer walk as the gentiles walk, in the futility of their mind, having been darkened in their understanding, having been estranged from the life of Alahim because of the ignorance that is in them, because of the hardness of their heart, who, having become callous, have given themselves up to indecency, to work all uncleanness with greediness." - Ephesians 4:17-19 BYNV

THE BEASTLY WORLD ORDER

The dragon wages war against the bride and Marriage Covenant of Mashiak. The dragon also controls all the kingdoms of this world through 3 "estates" or orders: **Clergy, Nobility, and Commoners** (laity). This authoritarian order is called a **beast**, and Rome is its final form. It is a military authority posing as a religious institution (teaching authority, or Magisterium / Didascaliala).

THE ROMAN BACK-STORY

Pagans worshipped the sun, and used fire, the hearth, wreaths, circles, pillars, bells, and many other items seen today as relics of their rituals. Some of the early Roman beliefs came from the Etruscans, Greeks, Egyptians, Persians, and Babel. The central foundation of Roman nationalism began at Roma, the original name of the city and language of the proto-empire. The Roman mythology began with two orphaned children, Romulus and Remus, who were nurtured by a she-wolf. They were honored by a national day of **purification** involving a **WOLF** (Latin - lupis) that preserved their lives.

Each year on February 15, this purification festival was known as Lupercalia, or wolf festival. Two male youths representing Romulus and Remus ran around the city in the nude, laughing and whipping strips of wolf skins dipped in blood. Unmarried girls exposed their posteriors to be lashed with these bloody wolf hides believing they would be imbued with fertility. As part of the ritual, every eligible girl's name was collected and placed in a large vat or jar, and all the young men would draw a name from it. This gives us the phrase luck-of-the-draw. Whatever name a young man would draw out, that girl would be his consort in the festival. This was a solemn religious process. Lupercalia was re-named "Valentine's Day" and moved to the 14th after being Christianized. They should have shunned the idolatry, but instead adapted it to the new universal (Catholic) religion. All the behavior and symbols remain intact, but the reasons and the names were changed to hide the origins from the innocent victims. We cannot change people by pointing out their faults. We must sow the seeds of the Reign and show them the Way. The **Name** and the **Word** are the highest of all knowledge, not Nimrod's World Order.

"When you come into the land which Yahuah your Alahim is giving you, do not learn to do according to the abominations of those gentiles." - Dt. 18:9
