

Point #1: Your framework for life

Your framework for life affects how you:

- You look at it
- See yourself, your identity
- See yourself in it, your purpose
- Engage the world, your mission

Let's take the example: "Life is a party."

If this was my life framework, I would see my:

- Identity as a partygoer
- Purpose as having the best time possible
- Mission is to make life as much as
