Graduates are automatically eligible to apply for membership to the American College of Sexologists International, a globally recognized organization since 2002.

The Love Coach Program, as with all LU programs, is self-directed, so students may work at their own pace as their schedules provide. All materials, quizzes, exams and certificates are available online 24 hours a day, 7 days a week. Depending on time commitment, past students have completed the program in anywhere from six weeks to a year. If a student works on it full time based on a 40-hour work week (eight hours a day, five days a week), they could finish in about six weeks. After completion, each Loveology University® student maintains their full profile with access to the program. It is always available for students to return to for further studying or review.

Study Recommendations:

We understand there is an abundance of information in the Love Coach Program curriculum and this is challenging when studying for the exam. Loveology University® utilizes different techniques for all portions of the curriculum to address everyone's study style. This is why we have created auditory, visual and hands-on work to better improve the quality of your studies. Some suggestions that we recommend to improve you studying even more are:

Create your own study guide

When reading, watching or listening to the curriculum it is helpful to do so actively. For example, create an outline of the Individual Courses using the table of contents as the main subjects of focus. As you read along, determine what the main points are of each section so that you can better grasp what each course is trying to teach you. You can also use our PDF handouts to follow along. Each multimedia course presentation is available in a PDF 'slide show' format, but will not include the voice-over script.

Evaluation

To earn Certification, you must pass the Love Coach exam. You must be able to answer 100 questions consisting of multiple choice, true/false and short answers. The multiple choice & true/false answers will be 50% and short answers will be

the other 50% of the exam. All students must complete the exam and have a passing grade of 70% or higher. Grades are available immediately for the multiple choice and true / false answers, and written form answers will be evaluated within a few days of completion. Upon passing the Love Coach exam, you will receive a Loveologist® Love Coach Certificate.
