

# LOVEOLOGY UNIVERSITY®

## HIGHER LEARNING & LOVING

## Syllabus

# Certified Loveologist® & Love Coach Program

## A Professional & Educational Program

*This program is approved for 114 AASECT CE Credits, and 300 American College of Sexologists Hours*

## Program Overview

The Certified Love Coach Program has an extensive curriculum that includes all e-learning courses offered to adults by Loveology University®. Each course includes a combination of narrated video presentations, instructional videos, training videos, instructional audios, eBooks and a multiple-choice quiz, to help review what you have learned. This combined material represents over 300 hours in the entire Love Coach program which entitles graduates to receive all three certifications offered by Loveology University (Certified Love Coach, Certified Master Sexpert and Certified Relationship Coach). Graduates are automatically eligible to apply for membership to the American College of Sexologists International, American Association of Sexuality Educators, Counselors and Therapists.

The Love Coach Program, as with all LU programs, is self-directed, so students may learn at their own comfort level and work at their own pace as their schedules provide. All materials, quizzes, exams and certificates are available online 24 hours a day, 7 days week, so it accommodates everyone's needs. Depending upon the time commitment, past students have completed the program in anywhere from six weeks to a year. If a student works on the program full time, based on a 40-hour work week (eight hours a day, five days a week), they can finish in six weeks or less. Students must pass each course quiz plus the final exam at the end of the program to receive a certificate and officially obtain the title of a Certified Loveologist® & Love Coach, Certified Master Sexpert and Certified Relationship Coach.

After completion, each Loveology University® student maintains their full profile with access to the program. It is always available for students to return to for further studying or review whenever and wherever they want it.

## Objective

The objective of this program is to provide students with the education and accreditation they need to sustain a successful career as a Love Coach. Whether it's with a private practice, as a public speaker, author, internet or media expert. With this expansive, comprehensive knowledge on love, relationships, intimacy, romance, communication, sexual health, healing and human sexuality, graduates will be able to help others improve the quality of their love lives, and create more love, intimacy and sexual satisfaction in their lives. To ensure that student's get the best career guidance, LU offers a bonus Entrepreneur Kit, guaranteed to help with marketing and branding personal goals.

## Prerequisites & Materials

There are no educational or experience prerequisites to register for this course, as long as you are at least 21 years of age. However, it is essential that you have internet access and a dependable computer. Loveology University® does not provide hard copy materials for students, but all multimedia course presentations are available as PDF downloads. The course can be accessed from any computer or mobile device, but we ask that you do not share our curriculum with anyone else other than a student in the same course or program.

To participate in the program, you will need a computer or tablet with the latest version of your preferred browser, and a broadband internet connection.

## Study Recommendations

We understand there is an abundance of information in the Love Coach Program curriculum and this is challenging when studying for the exam. Loveology University® utilizes different techniques for all portions of the curriculum to address everyone's study style, so that you can study smarter, better and faster. This is why we have created auditory, visual and hands-on work to better improve the quality of your studies. We suggest **creating your own study guide** when reading, watching or listening to the curriculum as it is helpful to do so actively. For example, create an outline of the Individual Courses using the table of contents as the main subjects of focus. As you read along, determine what the main points are of each section so that you can better grasp what each course is aiming to teach you. You can also use our PDF handouts to follow along. Each multimedia course presentation is available in a PDF 'slide show' format. This allows you to study more with less time.

# Disclaimer

As Loveology University® courses cover teaching topics for adults over 21 years of age that include human sexuality, be aware that there is adult language, graphic images and sexually explicit content in some of the presentations and videos. Consequently, viewing the adult videos is optional and will not affect final grades.

## Continuing Education Credits/Hours

This program is also eligible for credit at the American College of Sexologists towards the 300 hours required for membership. Please note professional life experiences are also eligible for academic credit as determined by the discretion of the ACS International board, including researchers, documentary filmmakers, authors, adult toy retailers or other entrepreneurs in the field of sexual health and pleasure. Visit ACS for more details: [www.americancollegeofsexologists.org](http://www.americancollegeofsexologists.org)

The courses in this program meet the requirements of the American Association of Sexuality Educators, Counselors and Therapists (AASECT) and together are approved for 114 CE credits. These CE credits may be applied toward AASECT certification and renewal of certification. Please note that AASECT applies these credits on an individual basis, and LU cannot guarantee AASECT membership based on the completion of any LU course or program. Visit AASECT for more details: [www.aasect.org](http://www.aasect.org)

These are AASECT's **Core Knowledge Areas (CKA)** required for certification and certification renewal of all Sexuality Educators, Sexuality Counselors and Sex Therapists. All candidates for certification must have knowledge of the following as they relate to sexual health and pleasure.

- A. Ethics and ethical behavior.
- B. Developmental sexuality from a bio-psycho-social perspective.
- C. Socio-cultural, familial factors (e.g., ethnicity, culture, religion, spirituality, socioeconomic status, family values) in relation to sexual values and behaviors.
- D. Issues related to sexual orientation and/or gender identity: heterosexuality; issues and themes impacting lesbian, gay, bisexual, pansexual, asexual people; gender identity and expression.
- E. Intimacy skills (e.g., social, emotional, sexual), intimate relationships, interpersonal relationships and family dynamics.
- F. Diversities in sexual expression and lifestyles including, but not limited to, polyamory, swinging, BDSM and Tantra.

- G. Sexual and reproductive anatomy/physiology.
- H. Health/medical factors that may influence sexuality including, but not limited to, illness, disability, drugs, mental health, conception, pregnancy, childbirth, pregnancy termination, contraception, fertility, HIV/AIDS, sexually transmitted infection, other infections, sexual trauma, injury and safer sex practices.
- I. Range of sexual functioning and behavior, from optimal to problematic including, but not limited to, common issues such as: desire discrepancy, lack of desire, difficulty achieving or maintaining arousal, sexual pain, penetration problems and difficulty with orgasm.
- J. Sexual exploitation including sexual abuse, harassment and sexual assault.
- K. Cyber sexuality and social media.
- L. Substance use/abuse and sexuality.
- M. Pleasure enhancement skills.
- N. Learning theory and its application.
- O. Professional communication and personal reflection skills.
- P. History of discipline of sex research, theory, education, counseling and therapy.
- Q. Principles of sexuality research and research methods.

## Evaluation

To earn Certification, you must pass the Love Coach exam by answering 100 questions consisting of Multiple Choice, True/False plus short essay answers. **The Multiple Choice and True/False answers will be weighed 50% of the exam. However, the short essay answers will be graded on explanation and summary to each question, for the other 50% grade of the exam.**

All students must complete the exam and have a passing grade of 80% or higher. Grades are available immediately for the Multiple Choice and True/False answers, and written form answers will be evaluated within a few days of completion. Upon passing the Love Coach exam, you will receive a Loveologist® Love Coach Certificate by e-mail.

## Value-Added Use of LU Slides

Apart from the take-home value of empowering knowledge that can be life-changing, Dr. Ava Cadell gives her students permission to use LU slides in their own presentations, provided a credit to Loveology University® is provided.

## Course Policies

Integrity and honesty are your obligation as a student of Loveology University®. When signing up for any course or program and accepting the terms and conditions in which

you must abide by to continue studying. It is a violation to take part in any cheating, copyright infringement, plagiarism, stealing and any other unlawful or unethical act. The consequence may result in expulsion from Loveology University® or legal action.

## A Message from LU

Loveology University® is dedicated to empowering students about love, intimacy, healing and human sexuality with pleasure-based education for more sexual confidence. We welcome you into our community so that you feel safe, prepared and excited to learn from the expansive information we offer and use its benefits personally and professionally. We believe every adult should have access to positive and accurate information on love, relationships, intimacy, communication and sexuality and are dedicated to making the world a more loving place.

We aim to accommodate the needs of all our students and offer the respect that each individual deserves. We offer personal mentoring before, during and after graduation so that students can get the help they need to pass the final exam and work on their future goals. We are confident that your learning experience will conclude in understanding and loving your own sexuality physically and emotionally, while accepting others' sexual practices without moral judgment.

We need Love Coaches more than ever to help people make love a priority in their lives and embrace change. Many are anxious about uncertainties, so they need coaches like you to help them heal, find love, boost intimacy and rekindle passion.

As a Love Coach we encourage you to fully make use of the knowledge you have acquired by using the information in your own entrepreneurial endeavors. With the goal of improving love lives worldwide, we provide this course and others for you to promote healthy relationships and in return all we ask is that you give us credit and of course, share your experience with others!

Our commitment to students extends beyond graduation with our all-inclusive Entrepreneur Kit to help graduates in finding their specialty in the field, whether it's in private practice, public speaking, or becoming a sex educator, author, blogger, adult toy retailer or valuable media and Internet resource.

Remember that sex education is important because sexuality is our second basic instinct after survival and a healthy sex life contributes to the quality of your life.

# Course Curriculum Overview

## 1. Healing Course

Eligible for **8** AASECT CE Credits

This course follows SMART learning objectives (Specific, Measurable, Achievable, Realistic, Time-Phased) and AASECT Core Knowledge Areas (CKA) and training. AASECT CKA's are only applicable to those applying or renewing their membership at AASECT.org.

By the end of this course, students will understand and be able to answer these questions:

1. By the end of the first hour of instruction, participants should be able to identify at least two (2) healing solutions to manage fear from the Coronavirus and loss of a loved one. (CKA: c,e,h,n)
2. By the end of part 2, participants should be able to understand the five (5) stages of grief. (CKA: c,n,o)
3. By the end of part 4, participants should be able to distinguish between sexual problems with diabetic men versus sexual problems with diabetic women. (CKA: e,h,i)
4. By the end of part 6, participants should be able to differentiate between the most common male and female sexual dysfunctions. (CKA: c,d,g,h)
5. By the end of part 7 participants should be able to identify at least (3) different signs of a narcissist or psychopath. (CKA: b,j)
6. By the end of part 8, participants should be able to define some behavioral impacts of physical and psychological abuse. (CKA: j,l)
7. By the end of part 8, participants should understand at least 3 impacts of addiction on relationships. (CKA: i,l)
8. By the end of part 9, participants should be able to understand and communicate how to establish physical, emotional and sexual boundaries. (CKA: b,c,e,f,m,n,o)

### Part 1 – Course Introduction

#### **Narrated Multimedia Presentation**

The Healing course lays the groundwork for understanding the healing process from loss, toxic relationships, sexual dysfunction, trauma, disease, accidents, addiction, sexual assault and sexual harassment. It offers essential statistics, history, theory, skill set and foundational knowledge on healing solutions. Learn how to find the right healing solutions for yourself or your clients. Most

importantly, follow the guidelines on when to refer clients if you are a coach, to a medical health professional.

Video course running time: 11 minutes

## **Part 2 – Healing From Loss**

### **Narrated Multimedia Presentation**

Healing from loss of a loved one, loss of your home, job, money and fear of the Coronavirus is all included in this section. Descriptions of the loss, the grief and the fear are defined with some exercises such as breathing, journaling and meditation to help restore hope.

Video course running time: 27 minutes

### **Meditation Audio – Alphabet Manifestation**

The benefit of this manifestation meditation is to cultivate your awareness and focus on what you really want in your life that will bring you love, peace and happiness.

Running time: 24 minutes

### **Meditation Audio – Goal Manifestation**

The benefit of this meditation is to help you manifest your desires into reality through creating Mantras and visualization.

Running Time: 23 minutes

## **Part 3 – Healing From Pain**

### **Narrated Multimedia Presentation**

Healing from chronic pain, such as back injury, arthritis, osteoarthritis, migraine, fibromyalgia, nerve damage (neuropathy or trigeminal neuralgia) and the impact on relationships is the focus of this segment. Included are 10 tried and true exercises for pain from music therapy to hug therapy.

Video course running time: 22 minutes

### **Meditation Audio – Loving Kindness**

The benefit of this meditation is to give your body the love and nurturing it needs to release any stress and experience mindfulness.

Running time: 19 minutes

## **Part 4 – Healing From Disease or Disabilities**

### **Narrated Multimedia Presentation**

This section describes how certain illnesses can have an impact on sexuality, including Cancer, Cardiovascular, Stroke and Diabetes. There is also a short video on Asta who was born with Arthrogryposis, multiplex congenita fibroid ankylosis of multiple joints, who shares his views on love, relationships, intimacy and sexuality and talks about the importance of raising awareness about intimacy and disabilities.

Video course running time: 42 minutes

### **Meditation Audio – Forgiveness**

The benefit of this meditation is to help you clear up emotional wounds which may be hampering your success in your love life or career.

Running time: 18 minutes

## **Part 5 – Healing From Accidents**

### **Narrated Multimedia Presentation**

Healing from Accidents has a short video of my friend and client Carlana who became disabled after a car accident, which left her with a spinal cord injury, but that didn't stop her from having a fulfilling life. Wounded Veterans have also suffered from extreme injuries, losing limbs and PTSD. Body image is touched upon in this section and is expanded upon in section 6.

Video course running time: 25 minutes

### **Meditation Audio – Embracing Aging**

The benefit of this meditation is to discover what really matters to you now. Also, to embrace your aging and wisdom by perceiving it as a gift.

Running time: 12 minutes

## **Part 6 – Healing From Sexual Dysfunction**

### **Narrated Multimedia Presentation**

Healing from sexual disabilities includes both male and female dysfunctions that range from premature ejaculation, impotence, arousal difficulties to painful intercourse. Loving healing solutions include forgiveness, kegel exercises, creative visualization and 6 elements of Tantra.

Video course running time: 50 minutes

### **Hypnosis Audio – Male Sexuality**

The following hypnosis is designed for men who want to improve their sexuality. Virtually every man will experience lack of desire, erectile dysfunction or premature ejaculation at some point or the other in his life. The good news is that there are many effective treatments for anxiety-caused disorders including hypnosis.

Running time: 19 minutes

### **Hypnosis Audio – Female Sexuality**

The following hypnosis is designed for women who want to enhance their sexuality. Everyone wants to enjoy a healthy, loving and exciting love and sex life, but sometimes the craving to experience and enjoy it can get in the way of actually getting it. Whether your lack of sexuality has resulted in loss of sexual desire, sexual inhibitions or lack of orgasm, the first step is to stop blaming yourself.

Running time: 22 minutes

## **Part 7 – Healing from Toxic Relationships**

### **Narrated Multimedia Presentation**

Healing from Toxic Relationships due to domestic violence is one of the most emotional parts in this course as I lost a student who I mentored, Dr. Amie Harwick. She was murdered as a result of poorly written laws that do not protect the victims. There's a video interview with Eva Nagorski about revenge, a video with Lisa Steadman on breaking up and a video with a client of mine trying to create closure.

Video course running time: 1 hour, 18 minutes

### **Hypnosis Audio – Boost Confidence**

The following hypnosis is designed for people who want more confidence and self-esteem. Whether your lack of self-confidence is a result of personal insecurities, past experiences, failures-or some kind of abuse, just know that you have the power to re-program your mind so that you feel self-confident, powerful and in control of your life.

Running time: 20 minutes

### **Meditation Audio – Replacing Negative Thoughts**

The benefit of this meditation invites you to tune in to the sensations associated with each of your thoughts and coordinating physical parts of your body.

Running time: 20 minutes

## **Part 8 – Healing from Addictions**

### **Narrated Multimedia Presentation**

According to the Addiction Center, over 20 million Americans over the age of 12 have an addiction (not including cigarettes) and 100 people die every day from drug overdoses.

Healing from Addictions and the impact it has on relationships is described in a video interview with Ethlie Ann Vare who admits that she was a love addict as well as a drug addict. She teaches us about the brain chemicals that affect both addictions.

Video course running time: 23 minutes

### **Hypnosis Audio – Stop Smoking**

The following hypnosis is designed for people who want to stop smoking cigarettes. Habits can be broken as easily as they are formed. The power of your mind is stronger than any bad habit you may have because it was created in your mind in the first place. So you have the power to reprogram your mind and eliminate your bad habit forever.

Running time: 21 minutes

### **Meditation Audio – Replacing Negative Thoughts**

The benefit of this meditation invites you to tune in to the sensations associated with each of your thoughts and coordinating physical parts of your body.

Running time: 20 minutes

## **Part 9a – Healing from Sexual Abuse**

### **Narrated Multimedia Presentation**

Healing from sexual abuse has gained worldwide attention since 2017 when the #MeToo movement began as film producer Harvey Weinstein began to field dozens of allegations from women who endured his sexual abuse. This section informs you of different categories of sexual abuse, from marital rape to sexual harassment. The impact of emotional trauma with 20 loving solutions is also covered in this section and since there are so many, this course is longer than some of the others.

Video course running time: 53 minutes

### **Meditation Audio – Reparenting Yourself**

The benefit of this meditation is to console your inner child and assure them that whatever happened was not their fault and you can still become the parent you always wanted.

Running time: 16 minutes

## **Part 9b – Healing from Self-Sabotage**

### **Narrated Multimedia Presentation**

Healing from self-sabotage is another massive section because people say they want to be happy, but self-sabotage with negative self-talk, especially after experiencing loss or abuse. That's why this final section offers over a dozen healing solutions that include spiritual healing by opening up your Chakras, couples healing by establishing physical, emotional and sexual boundaries and solo healing with exercises on forgiveness and conversations with your inner child.

Video course running time: 2 hours, 12 minutes

### **Hypnosis Audio – Weight Reduction**

The following hypnosis is designed for people who want to lose weight by eating less food. Whether you're overeating is a result of emotional problems or simply physical hunger, just know that you have the power to re-program your mind so that you eat less.

Running time: 21 minutes

## **2. Love Course**

Eligible for 5 AASECT CE Credits

This course follows SMART learning objectives (Specific, Measurable, Achievable, Realistic, Time-Phased). By the end of this course, students will understand and be able to:

1. Identify at least five (3) brain chemicals involved in the 'feeling' of love.
2. Differentiate between the concepts of love and lust.
3. Name & describe four historical philosophies of love.
4. Explain John Allen Lee's 'Types of Love' categories.
5. Understand Sternberg's Triangular Theory of Love.
6. Explain how forgiveness can heal personal relationships.
7. Summarize the most important factors in maintaining love in a long-term relationship.
8. Identify at least five ways to coach someone to process rejection from an intimate partner.
9. Distinguish between at least five (5) ways of expressing love to an intimate partner.
10. Understand how business practices can be applied to romance.
11. Examine successful communication techniques with examples.

12. Develop a plan for keeping a relationship exciting.
13. Identify at least ten (10) steps that lead to healing from a break up.
14. Identify at least three (3) ways to help others let go of the past.
15. Learn about how flirting works to engage potential partners.

### **Narrated Multimedia Presentation:**

This course lays the groundwork for understanding intimate human behavior with essential statistics, history, theory, skill sets and foundational knowledge on the concept of love. Discover the elements of self-love, romantic love, passionate love as well as key theories on rejection and forgiveness. Finally, learn about the necessary ingredients of true love, such as communication, trust and respect to provide the basic underpinning for the program.

Video course running time: 3 hour, 55 minutes

Approximate test time: 30 minutes

### **Ask the Expert Videos:**

**Ask The Expert – Ethlie Ann Vare, *Love Addict: Sex, Romance & Other Dangerous Drugs*** (13 minutes, 52 seconds)

Author Ethlie Ann Vare discusses love addiction and how it's defined, with a self-test to diagnose it. She also provides tools to recover from this affliction that affects about 6% of the population.

**Ask The Expert – *Addictions & Recovery* with Sherry Gaba, LCSW** (7 minutes)

Author of *Law of Sobriety*, Sherry discusses the many ways to heal addiction.

### **Reading Material:**

***12 Steps to Everlasting Love eBook*** (200 pages, estimated time to complete: 3 ½ hours)

This e-book teaches how to create an action plan for finding a life partner. By creating positive messages from the past, becoming open to new experiences, evaluating the type of relationship desired, the steps in this book allow individuals to attract the right person and find lifelong love. Learn a get-into-action plan for finding your life partner.

***Love Around the House eBook*** (160 pages, estimated time to complete: 2 ½ hours)

This book explores the many ways to add zest and variety to love and sex with common household items, stressing the importance of adventure, creativity and making your love life a priority.

## **3. Flirting Course**

Eligible for 4 AASECT CE Credits

This course follows SMART learning objectives (Specific, Measurable, Achievable, Realistic, Time-Phased). By the end of this course, students will understand and be able to:

1. Identify at least five (5) research findings about flirting.
2. Differentiate between appropriate and inappropriate ways to flirt.
3. Name the ways in which women's flirting habits change with their menstrual cycles.
4. Explain the truth about at least two (2) flirting myths.
5. Summarize how conversation can affect flirting.
6. Identify at least five (5) types of body language that are considered flirtatious.
7. Distinguish between flirting, seducing and teasing.
8. Understand how vocal inflections signal flirting.
9. Examine reciprocal disclosure and how it influences flirting behavior.
10. Develop a 5 stage plan for flirting with exercises based on W5 principles of journalism.
11. Identify sexual harassment in the context of flirting.
12. Identify at least three (3) flirting techniques.

### **Narrated Multimedia Presentation:**

Flirting is a crucial element of romance and human sexuality with its own history, techniques, skills and approaches. This course delves into the science of body language, the power of conversation, the role of our five senses, the value of active listening, the significance of positivity, how flirting works in long term relationships and much more.

Video course running time: 2 hour, 3 minutes

Approximate test time: 30 minutes

### **Training Video:**

***Giving Love To Your Body & Showing Love To Your Partner*** with Dr. Amie Harwick (1hr. 30 minutes)

Marriage and family therapist Dr. Amie Harwick, author of *The Sex Bible for Women: The Complete Guide to Sexual Self-Awareness and Intimacy* teaches a variety of sensual movements and fun lap dancing with her assistant Robert.

### **Audio:**

***Build Confidence Hypnosis Session*** (20 minutes)

Licensed hypnotherapist Dr. Ava Cadell conducts this powerful hypnosis session that teaches individuals to possess their ideal qualities, take control of their destinies in love, life and work and find their meaning of true happiness through self-confidence.

*Never listen to hypnosis recordings while driving a car or operating machinery. When listening to hypnosis recordings, choose an environment that is quiet and safe. While hypnosis has many beneficial effects, hypnosis is not a substitute for appropriate medical attention. Statements and products offered on*

*this website are not intended to diagnose, treat, cure nor prevent any disease or illness. When dealing with physical and/or mental illness or disease, always consult a qualified physician or therapist. Hypnosis recordings are not recommended for people suffering from mental disorders or illness. There is no guarantee of specific results and results can vary. The only one who can possibly guarantee your success is you.*

### **Reading Material:**

***Guide to Flirting & Dating e-book*** (21 pages, estimated time to complete: 42 minutes)

A how-to guidebook including quick and simple techniques to feel sexy, an overview of flirting props, best places to meet people, unique ways to approach someone, and how to move from dating to intimacy.

## **4. Communication Course**

Eligible for 4 AASECT CE Credits

This course follows SMART learning objectives (Specific, Measurable, Achievable, Realistic, Time-Phased). By the end of this course, students will understand and be able to:

1. Identify three (3) levels of communication and how they relate to intimacy.
2. Differentiate between at least five (5) left and right brain differences.
3. Name three forgiveness exercises and be able to explain how they work.
4. Explain the three (3) modes of communication styles: auditory, visual & kinesthetic
5. Summarize how couples can effectively communicate three (3) different types of personal boundaries.
6. Identify at least three (3) ways to negotiate disagreements.
7. Distinguish between negative and constructive criticism.
8. Understand general gender communication patterns.
9. Examine how successful communication can lead to safer sex.
10. Develop a plan for facilitating better communication between partners.
11. Identify at least six (6) of the 15 C's for charismatic couples.
12. Identify at least three (3) techniques for single people to communicate more successfully with a goal toward meeting a partner.
13. Explain the role of body language in communication between partners or potential partners.
14. Understand how processing grief affects communication between intimate partners.
15. Learn how to use effective listening to create mutual understanding between partners.

### **Narrated Multimedia Presentation:**

Communication plays a central and vital role in relationships of every kind, and mastering the basic elements of human interaction is key to becoming an effective Love Coach. This course outlines fundamental concepts like negotiation, forgiveness, saying no, navigating family life, communicating fantasies, constructive criticism, body language, conversation skills and much more to provide a framework for understanding the development and nuance of most types of personal human connection.

Video course running time: 4 hour, 18 minutes

Approximate test time: 30 minutes

### **Ask the Expert Video:**

**Ask The Expert – Terri Amos Britt, *The Enlightened Mom*** (15 minutes, 28 sec.)

Terri Amos Britt shares her wisdom about finding spiritual peace from within, rather than seeking love and appreciation externally, to become more loving and dynamic.

### **Reading Material:**

***Understanding Cheating eBook*** (132 pages, estimated time to complete: 4 hours)

This e-book thoroughly examines the reasons men and women cheat, including the interesting results of a cheating survey. Techniques are provided to prevent and solve cheating to enjoy a healthy relationship.

***NeuroLoveology*** (300 page book, estimated time to complete: 10 hours)

NeuroLoveology: The Power to Mindful Love & Sex explores how the brain processes attraction, relationships, conflict, and sex. Each chapter introduces the science and psychology behind adult romantic relationships and the tools to enhance that relationship, emotionally and sexually.

## **5. Dating Course**

Eligible for 1.5 AASECT CE Credits

This course follows SMART learning objectives (Specific, Measurable, Achievable, Realistic, Time-Phased). By the end of this course, students will understand and be able to:

1. Identify three (6) questions to ask a client to determine whether they are ready to date.
2. Differentiate between at least five (5) negative personality types that an individual dating might encounter, and how to identify them early.

3. Name three ways that single people can meet new potential partners.
4. Explain four (4) dating rules and how they lead to more open communication.
5. Summarize the history of dating from colonial times, naming at least one (1) important social behavioral norm per period.
6. Distinguish between common dating experiences throughout a lifespan from 20s to over 60.
7. Understand how body language affects dating.
8. Examine ways to reframe negative thought patterns and establish new positive new thoughts to replace them.
9. Develop a realistic dating plan with clear goals for themselves or their clients.
10. Identify at least three (3) ways to practice safer online dating.
11. Identify at least five (5) questions to ask individuals who are ready to have sex with someone they are dating, to encourage physical and emotional safety and pleasure.
12. Explain the value of a sexual compatibility survey in the context of dating.

### **Narrated Multimedia Presentation:**

This course studies the ritual of dating throughout history and across global cultures, with a focus on how dating works within modern society. Practical information about how and where people meet, the art of conversation, compatibility, the role of sex, dating with children, dating after divorce, dating at different life stages and more provides individuals and coaches with substantive resources to help single clients navigate their romantic lives.

Video course running time: 1 hour, 23 minutes

Approximate test time: 30 minutes

### **Ask the Expert Videos:**

**Ask The Expert – Eva Nagorski, *The Down & Dirty Dish of Revenge*** (12 minutes)

Author Eva Nagorski discusses her book on getting even with a partner that cheated on you.

**Ask The Expert – Lisa Steadman, *Breaking Up Is Hard To Do*** (24 minutes)

Writer, producer and relationship expert Lisa Steadman speaks about how to navigate a break up without losing your self-worth.

**Ask The Expert – Marc Mani on *plastic surgery and self-confidence*** (8 minutes, 6 seconds)

Plastic surgeon Marc Mani discusses how facial and body procedures can inspire confidence and help people feel sexy, since sexuality is all about confidence.

### **Reading Material:**

***Your Sexual Personality e-book*** (65 pages, estimated time to complete: 2 hours, 10 minutes)

This book analyzes the results of Loveology University's Sexual Personality quiz and defines five sexual personalities based on psychology's 'big five' personality types – Open, Conscientious, Extraverted, Agreeable and Neurotic.

***The Sexpert Guide to 52 Weeks Of Sizzling Sex*** (21 pages, estimated time to complete: 45 minutes)

This interactive e-book has a new suggestion each week for couples to enrich their love lives on a year-long journey of sexy adventures, new techniques and boundary-pushing erotic fun.

## **6. Kissing Course**

Eligible for 2 AASECT CE Credits

This course follows SMART learning objectives (Specific, Measurable, Achievable, Realistic, Time-Phased). By the end of this course, students will understand and be able to:

1. Identify at least five (3) historical kissing related events in the 15<sup>th</sup> and 16<sup>th</sup> century.
