

THE LOCATION TO LIVE TREASURE MAP

THE RIGHT SIDE GIFTBOOK

Tash McKenna

Live on the right side, not the dark side.

Learn how to extend peace and love outwards and you will live your dream life instead of your nightmare. How you design your dream is up to you. Whether it is good or bad is based upon what you think within.

Welcome, Beautiful!

As you move through the dream in time, you want the happiness that the innocent Mind has to offer, not the punishment of the guilt of sin that the ego bestows. The more guilt you give up, the more grace you uncover. Your function is to simply remove the barriers to the awareness of love's presence. By doing this, with the miracle of The Treasure Map, you remove the dark cloud that distorts your seeing. Where you once saw pain and problems you will see peace and love. When you see peace and love, it does not matter where you are, for it is the inner world that defines what you experience in the seemingly outer world of form.

What is most important is that you love the location that you are in. As you dig deep within to remove that which stands in the way of your dream life, what is it you want in your location? What is the view like and the neighbors and friends? What amenities do you have nearby? Is it safe and secure? Why do you want to live in such a location? Whom do you live with? What is harmonious to you about this position? What country is it and are you free to be there?

Whatever your block might be, it all stems from some aspect of the belief in separation from Source. It is the hidden hate and secrets sin of your mind that deny you the goodness of grace. By completing The Treasure Map and removing the guilt of the sin of separation, you extend love outwards and it delivers your happy dream. It makes the impossible possible, or it corrects your perception and guides you through another way that will lead you to the happy location that you seek.

As what is within is seen without, the location that you live in currently, reflects what is going on inside of your mind. Change your thoughts, by removing the guilt that distorts vision and the picture in time will adjust accordingly. Continue to do this map to miracles until you have found the peace and love with where you live. The true location you seek to find is God and His treasures that His wealth of wisdom offers. Seek God first, means to give up guilt to know grace, the truth of sameness, not separateness, and you will find heaven on earth.

I seek God in all things first. It means that I continue to undo the ego belief in sin, guilt, and fear to return thinking to the right mind of peace and love. I then allow the right mind to deliver my dream, instead of the ego nightmare of pain and punishment. Focus on clearing away the shadows and you will find your heaven painted within. This allows you to have it without. Allow God to guide you through the dream and stand up, instead of playing on the sidelines.

With all the treasure map giftbooks, you will have 30-questions ahead of you to ensure that you mentally dive deep within, to forgive at the cause. Follow the path of FAITH, by digging with the 'I Forgive' principle, until Truforgiveness has been granted and peace returned to your sleeping mind. This giftbook should take you around 90-minutes to complete.

Good luck with going within and locating that which God would have you know. You are innocent, not guilty and you deserve a palace, not a prison.

Much love, peace, and Truforgiveness,

Tash xxx

Guidance

1. Utilize The Treasure Map to remove the cloud of darkness that is keeping the truth of Perfect Love from your awareness. Then watch the miracles unfold, as you begin to extend love, instead of projecting the guilt of sin. Undo the darkness that hides the reality of who you are: perfect, peaceful and powerful, which will correct your picture in time you were set to face.
2. The Treasure Map will take you anywhere from 1.5 to 3+ hours to finish, depending upon how deep you are willing to dig.
3. Please ensure you follow the process of FAITH, the practice of the 'I Forgive' principle until you place your Truforgiveness upon the altar to God. You will be weaving a miraculous melody that will lead you to heal a hole that leaves you in the dark. For the remembrance of wholeness will be found at the end. Love is perfectly whole, for it can have no opposite. And it is Perfect Love that makes up the One Mind, where there is no belief in sin.
4. Trust the voice within that will tell you when you need to move on to the next question. This is important, as it is also this silent voice within that gives you the layers of guilt you need to forgive to free. Please do not allow the voice of ego judgment to jump in and offer feedback for what you are truly forgiving. This work is for Truforgiveness only, which is the opposite of judgment.
5. As you journal, allow the feelings to move through your body. Breathe into them. They might be uncomfortable, but it is these emotions that are covering the truth of your Perfect Love and peace.
6. The answer to the question can be found in the mini-map before it, as this is one complete treasure map in total.
7. Do not be afraid of the darkness you are encountering within. If it is not within you, you will not find it. As long as you are diving deep with Truforgiveness and not judgment, you will be safe. The story of this life does not matter, for you are the dreamer of the dream. Truly forgive the shadows of sin to be returned to your truth of innocence and remember the love you share with everyone.
8. This process of Truforgiveness Therapy is simply removing the barriers to the awareness of love's presence within you.
9. You must truly forgive everything that surfaces, no matter what. You only receive true healing when you truly forgive. So, this work is not to be used to seek confirmation for events of the past, for the true cause is always some aspect of the decision to be separate instead of whole.
10. At the end of The Treasure Map, you would have begun to remove those separating thoughts that keep the truth of Oneness out of your awareness. By correcting your thinking, you will find the truth of love within, Perfect Love. This is how miracles are made, as this is the shift in perception from fear to love.

The Location to Live Treasure Map - Reflection

The location you seek to find is the right mind of peace and love. By shifting your thinking from the ego to the spirit, you remove the guilt that seeks ways to hurt you. By giving up the belief in separation, you extend love outwards and it offers you the happy dream built upon the bedrock of Perfect Love.

No longer are you listening to the limited thinking of the ego that cannot build the greatness you seek. You see, you are the Son of God. You are worthy and deserving of all good. What you accept is what you have made. What you allow is what you have built. What you appreciate is nothing compared to the richness of God's treasure that is waiting to be discovered by the innocent Mind. The more of the shadows of sin you continue to undo with The Treasure Map, by following the path of FAITH, and digging with the 'I Forgive' principle, to place your Truforgiveness upon the altar within, the better the dream in time you shall face. All by giving up guilt to know grace. From the place of innocence, you will extend this love outwards and correct the picture in time that you were set to face. Listen to the inner voice as to where it will guide you, for it seeks to delight, not depress.

Do not be content to accept what the ego offers. It does not know what the truth of Perfect Love is or what it has to offer. Undo the ego thought system of judgment and attack and find the true treasures of God within. By doing so, you will witness to it without. Peace and prosperity, health and happiness, safety and security, love and loyalty, friendship and fabulosity. All the goodness you want and need is within. It is the within that paints the picture in time that you think is your truth.

What did you find hidden within? Where are you living and whom are you living with? What do you have in the lovely location that the inner voice speaks of? How does this make you feel? When can you have it? What do you deserve and are worthy of?
