# Guidance

1. Utilize The Money Treasure Hunt to change how you not only feel about yourself but about money as well. For it will remove numerous shadows of the sin of separation that keeps you suffering.
2. Each pathway will take approximately 1.5 hours to finish. So, with ten treasure maps, you have approximately 15 hours of forgiving within to complete. But the hunt will be worth it, for your separation from money will change at the completion of it, when you find the wholeness within.
3. Please ensure you follow the process of FAITH, the practice of the 'I Forgive' principle until you place your Truforgiveness upon the altar to God at the last question. This is where peace will be found.
4. Trust the voice within that will tell you when you need to move on to the next question. This is important, as it is also this inner voice that gives you the layers of guilt you need to forgive to free. Please do not allow the voice of ego judgment to jump in and offer feedback for what you are truly forgiving. This work is for Truforgiveness only, which is the opposite of judgment.
5. As you journal, allow the feelings to move through your body. Breathe into them. They might be uncomfortable, but it is these emotions that are covering the truth of your Perfect Love and peace. Where your love is, so too is all the abundance you seek.
6. Remember, the answer to the question can be found in the mini-map before it.
7. Do not be afraid of the darkness you are encountering within. For if it is not within you, you will not find it. As long as you are diving deep with Truforgiveness and not judgment you will be safe. The story of this life does not matter, for you are the dreamer of the dream. Truly forgive the shadows of sin to be returned to your truth of innocence and watch money be made by you. If that is what you truly want.
8. This work of Truforgiveness Therapy is simply removing the barriers to the awareness of love's presence within.
9. You must truly forgive everything that surfaces, no matter what. You receive healing when you truly forgive. So, this work is not to be used to seek confirmation for events of the past, for the true cause is always some aspect of the decision to be separate instead of whole.
10. At the end of The Money Treasure Hunt, you would have transformed your problem into peace. This is what you are going to do, as well as correct your belief system. This allows you to manifest miraculously, by simply removing your call for punishment.

Notes

The process of FAITH and the digging within with the 'I Forgive' principle is powerful indeed, for this is the type of Truforgiveness granted by God. The type that undoes the belief that you are sinful and guilty, which returns you to right-minded thinking, which leads to One mindedness. Whilst The Money Code is changing up the belief system, by undoing the guilt within, it will not only grant you money, but it will lead you Home, to awakening truth: You are One with God and this world is the illusion, not the definition.

In this treasure map, you have been offered guidance as to what steps you need to take. What are these? What is God telling you to do? It will always be one of goodness, for God knows Love is all there is.
