TREASURE MAP

THE TIME TO CHANGE GIFTBOOK

TASH MCKENNA

Welcome, Beautiful!

The events of form are not the cause of your fear, they are the effects. So, whilst some handle the effects in the dream of time, such as firefighters, police, paramedics, etc., others are working with God to withdraw these shadows that make the dream dark instead of delightful. As catastrophic fires burn through the eastern coast of Australia today, I put my personal work down to assist these shadows that are drawing in. I have been offering my True Prayer to God, which is The Treasure Map, helping to clear the cause, which will change the effects of form. This is how you become truly helpful to God, for you are undoing the belief in ego-identification and returning your thinking to the right mind of peace and love, which precedes spiritual awakening. However, before awakening happens, you get to move through the happy dream by extending love instead of projecting the guilt that is experienced as fear, including fear of fire.

Do you want to help? Do you want to truly heal? Are you ready to become truly helpful? I hope so, for this map to miracles is ready to assist you. Follow the directive of The Treasure Map as she leads you deep within the subconscious mind to find and truly forgive the true cause of the destruction of fire.

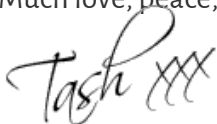

If you have had a fire and suffering through trauma, lost someone or something to them, or watching the suffering that others are potentially facing, there is a way to help. Move your thinking from fear to love and allow the miracle of The Treasure Map to undo some aspect of the belief in separation which will change the effects of form. By giving up guilt we get to know grace.

Every pain or problem that you face can be traced back to the misperception that you are sinful of separating from God, which is why this dream is the one of punishment and not pleasure. You are trying to relieve yourself of the guilt within for you have deemed yourself punishable by death for destroying the One you love more than any other, God. Whilst it has not happened in reality, the ego does a great job at keeping you believing that you have betrayed God and thus you need to continue to run further into the forest of fear.

As with all treasure map giftbooks, you will have 30-questions that ensure you mentally dive deep enough within the subconscious mind. Take your awareness deep down into your gut and allow the inner voice to offer you the answer. When you write it out, mentally fall through that layer and there will be something else hidden underneath it. Every sentence must commence with 'I forgive...' and you will feel yourself moving deeper within the darkness of the subconscious mind. You move on to the next question when the inner voice guides you to. This map to miracles will take you approximately 90-minutes to complete, however, depending upon how deep you are willing to dive, it can take longer. For example, as I worked today on the Aussie fires, it took me 3+ hours to move through it. There is further guidance on the following page.

As long as you are honest and authentic with your offering of forgiving within, miracles will be made. Good luck with going within and undoing some of the unconscious fear that is hidden in the collective.

Much love, peace, and Truforgiveness,

Guidance

1. Utilize The Treasure Map giftbook to remove the cloud of darkness that is keeping the truth of Perfect Love from your awareness. Then watch the miracles unfold, as you begin to extend love, instead of projecting the guilt of sin. Undo the darkness that hides the reality of who you are: perfect, peaceful and powerful.
2. The Treasure Map will take you anywhere from 1.5 to 3+ hours to complete, depending upon how deep you are willing to dig.
3. Please ensure you follow the process of FAITH, the practice of the 'I Forgive' principle until you place your Truforgiveness upon the altar to God. You will be weaving a miraculous melody that will lead you to heal a hole that leaves you in the dark. For the remembrance of wholeness will be found at the end. Love is perfectly whole, for it can have no opposite.
4. Trust the voice within that will tell you when you need to move on to the next question. This is important, as it is also this silent voice that gives you the layers of guilt you need to forgive to free. Please do not allow the voice of ego judgment to jump in and offer feedback for what you are truly forgiving. This work is for Truforgiveness only, which is the opposite of judgment and attack.
5. As you journal, allow the feelings to move through your body. Breathe into them. They might be uncomfortable, but it is these emotions that are covering the truth of your Perfect Love and precious peace.
6. Remember, the answer to the question can be found in the mini-map before it.
7. Do not be afraid of the darkness you are encountering within. For if it is not within you, you will not find it. As long as you are diving deep with Truforgiveness and not judgment, you will be safe. The story of this life does not matter, for you are the dreamer of the dream. Truly forgive the shadows of sin to be returned to your truth of innocence and watch your life sparkle and shine.
8. This process of Truforgiveness Therapy is simply removing the barriers to the awareness of love's presence within you.
9. You must truly forgive everything that surfaces, no matter what. You only receive true healing when you truly forgive. So, this work is not to be used to seek confirmation for events of the past, for the true cause is always some aspect of the decision to be separate instead of whole.
10. At the end of The Treasure Map, you would have begun to remove the separating thought that keeps the truth of goodness out of your awareness. This is what you are going to do, as well as correct your belief system, changing your behavior and alter the events of form that you were set to experience.

Explanation: The true cause is always within, and in this instance, you can see that it can be traced to some aspect of punishment. It is the guilt within from the belief in the sin of separation that calls forth the punishment that is hidden deep within the subconscious mind. This is why the answer is always within, for this is where the cause arises from.

Go within and remove the barriers to the awareness of love's presence and miracles will be made.

The Fire Treasure Map - Reflection

The true cause of the fear you face with fire is some aspect of the belief you are sinful of separating from Source. Every single thing that happens in the dream of time can be traced back to the belief in sin and this is why these shadows need to be withdrawn from the sleeping Son's Mind. It is the belief in sin that casts every shadow you seem to face, including those such as fires, embers, flames, and smoke that can cause destruction in the duality of time.

This does not mean that you do not try to resolve them on the physical plane, of course you do, and nor would you run into a fire screaming, 'It's only a dream,' for whilst you are still caught in ego-identification you need to find your way out of the illusion first, and by this, I mean awakening.

This is why God has granted The Truforgiveness Treasure Map® to ensure you withdraw the entire shadow of the sin of separation that you have cast outwards, for everything that happens in the dream can be traced back to a hidden cause within, as mentioned, some aspect of the belief in sin. And there is only one sin, the misperception that you are not whole.

What did this treasure map reveal? What has been undone? How do you feel? How/where have you been truly helpful? What has been healed? How do you feel about fires? What is burning within?
