

DO NOT DOUBT YOURSELF.
YOU HAVE THE POWER WITHIN
TO UNDO FEAR TO REMEMBER LOVE.

THE FEAR TREASURE MAP

TASH MCKENNA

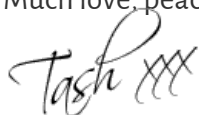

Welcome, Beautiful!

Fear is not true. It is simply the experience in time of the guilt of sin projected outwards. Every dark shadow you seem to experience in the dream of death stems from some aspect of the belief you are sinful of separating from Source. One by one, with the gift of The Treasure Map, you are asked to take a shadow and clean it up from within to place it upon the altar to God. This symbolizes that you will have no other idols of separation before Him. The only idol there could ever be - the ego. By removing the veil of guilt that distorts truth, the extension of love, Perfect Love, is made known. What was once dark and depressing becomes light and loving, all by you giving up guilt to know grace.

I was once so afraid that I could not leave my parents' home for years. I never thought that I would escape the home detention that I often called it. It honestly is a miracle that my fear has been undone. And the relief that I now feel that I do not have to move around with what I often called locusts swirling in my belly. There is the peaceful dream of love and happiness for those that truly forgive. I have experienced this and I ask that you follow. However, you must be strong enough to look upon your buried pain, those grievances that you blame another for, and truly forgive it all, no matter what. You cannot know the truth of love, Perfect Love, that God offers, whilst you are intent to blame another for your wounds. You see, if you had stayed with God, in the Oneness of Perfect Love you would not find yourself in the dark dream of duality. Do not blame another for your position, as this keeps you bound to victim-mentality, which is weak and worrisome. Hidden deep within you is the wholeness of holiness, the truth of Perfect Love that is ready to cradle you in safety and security, love and loyalty, happiness and healing, and offer an escape from the nightmare of sin, guilt, and fear. Please trust me on this. I escaped fear because I truly forgave it all. It did not happen overnight and for years it seemed I was truly forgiving the one issue. It seemed I was lost in darkness, yet, this is the great trick of the ego, it will tell you that you are going the wrong way. That you have fallen down the rabbit-hole. Yet, hidden deep within the darkness, if you clean it sufficiently, is the Oneness of Love that knows your perfect, peaceful, powerful Self. So whole and complete that fear cannot enter. I have found my way out of fear and you can too. You must look at every dark thought-form that you have ever made and truly forgive it to become free from it. Of course, if you are in physical danger, I don't want you to stop and say, "I just need to draw up my treasure map!" No, get yourself to safety and then begin to truly forgive the fear that has been disturbed. For me, the darkness within was a blessing, as it showed me where the belief in separation had been hidden by the ego. The light is within the darkness, so continue to chip away until you reclaim the awareness of truth for yourself: innocence is true, not the belief in sin.

With all the treasure map giftbooks, you have a series of 30-questions ahead of you. Please ensure you follow the process of FAITH, mentally digging with the 'I Forgive' principle to place your Truforgiveness upon the altar to God that is within. When you have moved from the problem to the truth of peace within, you will know that your treasure map is complete. Let the inner voice guide you and trust whatever you are asked to truly forgive that you can. One 'I Forgive' principle at a time.

Much love, peace, and Truforgiveness,

Tash

Guidance

1. Utilize The Treasure Map to remove the cloud of darkness that is keeping the truth of Perfect Love from your awareness. Then watch the miracles unfold, as you begin to extend love, instead of projecting the guilt of sin. Undo the darkness that hides the reality of who you are: perfect, peaceful and powerful, which will correct your picture in time you were set to face.
2. The Treasure Map will take you anywhere from 1.5 to 3+ hours to finish, depending upon how deep you are willing to dig.
3. Please ensure you follow the process of FAITH, the practice of the 'I Forgive' principle until you place your Truforgiveness upon the altar to God. You will be weaving a miraculous melody that will lead you to heal a hole that leaves you in the dark. For the remembrance of wholeness will be found at the end. Love is perfectly whole, for it can have no opposite. And it is Perfect Love that makes up the One Mind, where there is no belief in sin.
4. Trust the voice within that will tell you when you need to move on to the next question. This is important, as it is also this silent voice within that gives you the layers of guilt you need to forgive to free. Please do not allow the voice of ego judgment to jump in and offer feedback for what you are truly forgiving. This work is for Truforgiveness only, which is the opposite of judgment.
5. As you journal, allow the feelings to move through your body. Breathe into them. They might be uncomfortable, but it is these emotions that are covering the truth of your Perfect Love and peace.
6. The answer to the question can be found in the mini-map before it, as this is one complete treasure map in total.
7. Do not be afraid of the darkness you are encountering within. If it is not within you, you will not find it. As long as you are diving deep with Truforgiveness and not judgment, you will be safe. The story of this life does not matter, for you are the dreamer of the dream. Truly forgive the shadows of sin to be returned to your truth of innocence and remember the love you share with everyone.
8. This process of Truforgiveness Therapy is simply removing the barriers to the awareness of love's presence within you.
9. You must truly forgive everything that surfaces, no matter what. You only receive true healing when you truly forgive. So, this work is not to be used to seek confirmation for events of the past, for the true cause is always some aspect of the decision to be separate instead of whole.
10. At the end of The Treasure Map, you would have begun to remove those separating thoughts that keep the truth of Oneness out of your awareness. By correcting your thinking, you will find the truth of love within, Perfect Love. This is how miracles are made, as this is the shift in perception from fear to love.

The Fear Treasure Map - Reflection

The Treasure Map frees you from fear. As it undoes the guilt within your mind that is experienced as fear on the level of form. When you know the truth of innocence for All you will know Perfect Love, which is so complete that fear cannot enter. I first experienced this gift when I was 8-years of age when God first appeared to me in His Oneness. It is the wholeness of holiness that is hidden within you that will protect you from the ego illusion of sin, guilt, and fear. Allow The Treasure Map to transmute your fear, as you slowly begin to chip away at the darkness that comes to make your dream dreary instead of delightful. Come back to this treasure map and continue to work on undoing your fear to remember love. For example, if you simply completed this giftbook once a week over 12-months, you have no idea of just how much you would shift your life in this time. Do not be afraid of the fear you find within, as long as you truly forgive it by following the process of FAITH, For FAITH leads you from pain and punishment to peace and love. The safety and security you seek to know is within you. This is so important as what is within is seen without. If you continue to sit in the fearful thoughts, you will experience this outwards. Undo the darkness find the light, extend this without and you will welcome in the happy dream, just as I have done. How did I do it? I became vigilant to not give up on Truforgiveness. Whilst my thinking is always moving through The Treasure Map now, I suggest those that are new to undoing their ego-identification to start with an hour a day. So the shifts do not become frightening.

What do you need to know? What has The Treasure Map revealed to you? What is the fear that you are working on truly forgiving? Who/what do you need to love?
