

## Provisional Psychologist Opportunity, Internship

### The ProActive Psychology Practice, Fairfield and Bankstown

We're on the lookout for a proactive, motivated and willingness to learn **provisionally registered psychologist** to join our team at The ProActive Psychology Practice on a part time basis. If you're seeking an exciting, and supportive role where you will gain paid experience to meet your registration requirements, and ongoing employment we'd love to hear from you!

#### About our Practice, ProActive Psychology

##### Our Principal Psychologist

Our Principal Psychologist, Nicole Robinson, is a Clinical Psychologist with 17 years of clinical experience. Nicole is passionate about the development and growth of psychologists during the early stages of their career.

##### Paid experience

For the right intern you will gain experience primarily in the assessment and therapy with children (ages 3-12yrs) and their parents and carers with a variety of presentations. You will also have a carry a small caseload of adult presentations. You will gain experience in running workshops and therapeutic groups with children, adolescents and adults. You will also be working with schools and day cares and liaising with other professionals.

##### Our Administration Support Team

We have a friendly, and highly efficient administration support team who will assist you to look after your clients and administration requirements.

##### Our Locations

We have two South Western Sydney locations, Fairfield and Bankstown, with public parking nearby and near shops and public transport.

##### Our Supportive Environment

All new intern psychologists receive comprehensive induction and training, so you will have a lovely sense of community and collaboration within our team. You will receive the full support from our Principal Psychologist, Practice manager and peers.

##### Attractive Terms

We offer competitive remuneration and flexible working conditions to meet your registration requirements. To be eligible for this position all intern psychologists will require:

- Working with children check
- Enrolment in a 4+2 or 5+1 program
- Previous experience in working with children or a strong desire to do so
- Current driver's licence
- Willingness to work some after-hours including evenings

##### To Apply

To apply for this position, please send a cover letter together with your resume to [nicole@proactivepsychology.com.au](mailto:nicole@proactivepsychology.com.au). If you have any questions about the position please email our Principal Psychologist, Nicole Robinson at [nicole@proactivepsychology.com.au](mailto:nicole@proactivepsychology.com.au) or call [9727 7752](tel:97277752).
