

Provisional Psychologist

Part Time – Carina – 3 days per week

Do you have a passion for counselling intervention, and working children, adolescents, and families who present with a broad range of mental health presentations? At Child Aware you will provide client focused, evidence-based psychological services to children, young people, adults and families.

Our team is expanding...and we are looking for a provisional psychologist who shares our values and passion for working with children, young people and families.

At Child Aware we value:

- *Kindness*
- *Ethical practice*
- *Professional standards*
 - *Team work*
- *Working in the best interests of children and*
- *Making a positive contribution to children's mental health*

At Child Aware we offer:

- Strong, consistent referrals
- Full administration support
 - Supervision
- Supportive team working environment
 - Flexible working conditions
- Internal Professional Development

The Role

We are looking for a reliable, ethical and passionate team member to join our Carina team. Our working hours are Monday - Thursday 11-7pm and Friday 8am - 5pm.

This paid employee role (initially 3 days) includes a base salary + supervision (provided by a Board Approved Supervisor in line with your registration requirements) + professional development + access to our assessment library. Child

Aware also operate the Provisional Psychologist Hub, so the successful applicant will have access to the online professional development and resources provided by the Hub during their employment with Child Aware.

This is a unique opportunity to work within a psychology practice whilst completing your registration requirements to obtain full registration as a psychologist. Due to timeframes, our preference is for applicants who have already obtained their provisional registration, however all applicants (i.e. those who are eligible to obtain provisional registration on obtaining an eligible role) are encouraged to apply.

Your skills and experience

- Eligible for registration as a provisional psychologist
- Experience working with children and families who have experienced trauma (e.g. domestic violence, child sexual abuse) is well regarded
- Experience working with children living with a disability is well regarded
- Experience in conducting risk assessments and providing evidence based interventions for children, young people and adults at risk of self harm and suicide is well regarded
- Hold (or willing to obtain) professional indemnity and public liability insurance.
- Willingness to learn
- Professional
- Able to work in a team and independently

To apply, email your resume and cover letter to leza.sullivan@childaware.com.au
