

On-Stage Introduction

TO BE USED TO WELCOME DrStem TO YOUR EVENT

She has been Dubbed “Life Plus” for her ability to speak and share from the heart, her ability to inspire and encourage others to easily transform their experiences for the betterment of their career, business, and personal life.

Her name is DrStem, and she is the difference maker who helps others shift from dreamer to achiever.

DrStem is also a prolific best-selling author, with books and eBooks that are transformative, inspiring, and empowering.

Furthermore, she conducts monthly self-care and success building workshops monthly in her Empowerment Academy to uplift and Transform Lives.

You can be inspired by her every week by listening to her weekly Podcast on The DrStem Show available on Podcast channels.

Please join me in welcoming a recognized inspirational and motivational speaker, DrStem!
