

HEAL YOUR PRODUCTIVITY

Work less & earn more in 8 weeks... even if you're completely chaotic, disorganized, and suck at time management.

An 8 Week Integrative Course Just for Real Estate Agents

Heal Your Productivity™ is the newest course from Master Agent Life and Angela Kristen Taylor. Designed specifically for real estate agents, this course helps agents clear "The Clutter Cycle" in their lives, enabling them to move past the emotional blocks that prevent them from being successful in their business and teaches them how to create a referral-based business through tribe building and relationship marketing.

Week 1: Conquering Overwhelm

Learn how to make self-care a priority, reduce stress, set boundaries, and create routines so you can create the balance required to eliminate chaos.

Week 2: Your Ideal Client

Identify your ideal client, understand who they are, what their problems are- the things that keep them up at night, and how you can deliver their ultimate solution.

Week 3: Money Managed

Get your finances under control, eliminate unnecessary expenditures, design your ideal lifestyle, create a budget that makes sense, and build a plan to reduce debt.

Week 4: Your Unique Message

Craft the story that attracts your ideal client and shows them you are the expert they can trust to truly help them with their specific problem.

Week 5: The Purge

Remove all the unnecessary physical clutter in your life and home so you can become completely organized.

Week 6: Building Your Tribe

Learn how to best utilize virtual, social, and community avenues to create a following of ideal clients ready to work with you and refer you.

Week 7: Heal Your Past

Deep dive into healing past traumas, hurts, and pains, doing the internal work required to clear your past so you can confidently move forward without the need for chaos.

Week 8: Growth

Tie together everything you've learned and create your plan and routines for business and personal growth.
