ABOUT THE AUTHORS

Simone Milasas

Simone is an international speaker and author of *Joy of Business and Getting Out of Debt Joyfully*. She is an acclaimed business and life mentor, and travels the world facilitating seminars with Access Consciousness. You can find Simone every week on her podcast, *The Art & Industry of Business and Living*. www.simonemilasas.com

Brendon Watt

Brendon Watt is a successful CFO of Access Consciousness Australia, an International Speaker and facilitator of Conscious Parenting classes worldwide. Drawing upon his transformation from a struggling tradesman and single dad to global speaker and CFO, Brendon facilitates classes and workshops all over the world, empowering others to know they are not wrong, that anything is possible and that they are only one choice away from change. www.brendonwatt.com

This is NOT your average relationship book! It is not about love and romance but instead offers powerful questions and tools you can ask every single day to create what you truly desire in a relationship.

Creating a great relationship requires a level of intimacy that very few people are willing to have even with themselves, let alone someone else. Simone Milasas

Written from both the male and female point of view so you can get both perspectives, Simone Milasas and Brendon Watt invite YOU to be the source of your own happiness, not a relationship. They ask powerful questions you can ask daily to create anything you desire!

How many great relationships do you see out there? I don't mean long lasting relationships. I am talking about caring relationships where you empower each other to be as great as you can be. Brendon Watt

There are no answers or conclusions or promise of a fairy tale in this book, instead the author's explore:

- The importance of gratitude and getting out of judgment
- Money and relationships
- Questions you can ask to have a phenomenal relationship
- I am single, is that wrong?
- How to create your relationship fresh each day
- The importance of trust and honouring
- Sexy time, how to ask what you truly desire?
- Men and Women's subtext
- The biggest mistakes women make

To me, relationship is about two different people who have chosen to be together for a space to create something that is far greater than each of them could create alone. Brendon Watt.
