Details

Dogma is the only dog day school in Calgary that is fully staffed by certified professional dog trainers. We do not offer day care, but instead provide structured play, socialization and training for your dog. Let our trainers do the work so you can enjoy your time with your dog! Below are some of the reasons why the Dogma Difference is the right choice for discerning dog owners:

- The lowest dog-staff ratio with a max of 10 dogs/certified trainer.
- Daily report cards that outline your dog's progress with socialization, obedience, handling, self control and more.
- An online portal to track your dog's behaviour and progress.
- Dogs must graduate DogmaU to be considered DogmaAlum and then participate in enrichment based and structured play daily activities.
- Curriculum developed by an industry leading dog trainer.
- Full day behaviour assessment to ensure day school is the right choice for your dog (one-on-one with a senior trainer)

KinderPups (under 6 months)

Get your puppy started off on the right paw with day school:

- Exclusive program designed for puppies.
- Full day behaviour assessment with a senior trainer.
- Separate play/training areas.
- Extra nap and rest time.
- Focus on socialization.
- Focus to develop confident and well-mannered dogs.

DogmaHigh (over 6 months)
