

# FIRST LINE EDUCATION INC.

Research Based  
Practically Balanced

## Attention movement therapists!

- Increase your clinical confidence, attract your ideal clients & make the money you're worth!
- Courses are held online and can be tailored specifically for your group (call us to make plans)
- Courses will be held live in Toronto once it is safe for the world to return to normal
- Simple registration online – payment plans are available
- All course materials are made available in your own personal online library

## 2020:

**September 12 & 13:** Posture, Balance & Gait Basics

**September 26 & 27:** Functional Testing For The Upper & Lower Body

**October 3 & 4:** Biomechanical Evaluation For The Lower Body

\* All courses are offered at least twice each year.

Please contact us at [support@firstlineeducation.com](mailto:support@firstlineeducation.com) to get your name on our wait list for the next time a course comes up in our calendar so you don't miss it!

Looking to connect with experienced movement practitioners to start or grow your practice? Our fall **90 Day Clinical Practice Mentorship** program starts on **Monday, November 16, 2020**. Get more information and download our mentorship program outline here: <https://www.firstlineeducation.com/mentorship>

\* Want a 30 or 60 minute coaching call to help you sort out some practice questions or get some guidance for the next steps for your business? We've made these really affordable - \$30 for 30 minutes or \$60 for \$60 minutes! Contact Angela Pereira to set up a date and time to connect at [angela@firstlineeducation.com](mailto:angela@firstlineeducation.com).

\* Not sure what courses would be right for you? Call or email Angela and talk it over – no charge!
