

FIRST LINE EDUCATION INC.

Research Based
Practically Balanced

Attention movement therapists!

- Increase your clinical confidence, attract your ideal clients & make the money you're worth!
- Courses are held online and can be tailored specifically for your group (call us to make plans)
- Simple registration online – early bird opportunities and payment plan options are available
- All course materials are made available in your own personal online library for longterm access

Download ALL the course outlines by clicking on each course listed in multiple places across our website here:

Watch for 2021 dates coming soon!

* All courses and webinar series are offered at least twice each year.

Please contact us at support@firstlineeducation.com to get your name on our wait list for the next time a course comes up in our calendar so you don't miss it!

Looking to connect with experienced movement practitioners to start or grow your practice? Our fall **90 Day Clinical Practice Mentorship** program starts on **Monday, November 16, 2020**. Get more information and download our mentorship program outline here: <https://www.firstlineeducation.com/mentorship>

* Want a 30 or 60 minute coaching call to help you sort out some practice questions or get some guidance for the next steps for your business? We've made these really affordable - \$30 for 30 minutes or \$60 for \$60 minutes! Contact Angela Pereira to set up a date and time to connect at angela@firstlineeducation.com.

* Not sure what courses would be right for you? Call or email Angela and talk it over – no charge! 🤔
