

Legal Transcription: Theory and Practice™

Instructor: Janet Shaughnessy

Course Description: *Legal Transcription: Theory and Practice™* is a comprehensive training course that implements multimedia content with online learning tools to effectively prepare students to master the art of transcribing legal proceedings from audio or video into text documents for clients in the legal field.

The course is divided into 16 modules, with each module building upon the skills learned and mastered in the preceding module. There are over 25 audio/video practice dictation files in the course.

Media Used Within the Course:

- Quizzes
- Video Presentations (with Audio)
- Screencast Tutorials Demonstrations
- Practice Dictations with Answer Keys (25+ practice files in 9 levels)
- Online and Email Support Forums

Recommended Equipment:

- computer and comfortable workspace
- reliable high-speed internet access
- word processing software
- transcription equipment (course aids students in choosing appropriate equipment for their needs)

Module 1 – *Introduction to Legal Transcription*

Upon completion of Module 1, students will have an understanding and appreciation for what legal transcription is and is not and the skills needed to master the art of transcription.

- Introduction and Welcome!
- Process for Submitting Support Requests
- Legal Transcription: Overview
- General Duties of the Legal Transcriptionist
- Cyber Security

Module 2 – *Tools of the Trade*

Upon completion of Module 2, students will know the software and hardware requirements employed by legal transcriptionists and where to purchase them to get the best equipment at the best price. Typing drills and beginner transcription practice exercises will be completed and a downloadable Legal Transcription Style Guide will be provided.

- The Right Equipment for the Job
- Typing for Speed and Accuracy
- Legal Transcription Style Guide
- Comparing Your Transcripts with the Sample Transcripts
- Practice Transcription Exercise

Module 3 – *Essential Skills for Legal Transcription*

In Module 3, students master the art of proper spelling, punctuation, and capitalization rules for legal transcriptionists.

- Parts of Speech
- Sentences, Fragments, and Run-ons
- Phrases
- Clauses
- Punctuation and Capitalization – General Rules and Guidelines

- Abbreviations, Capitalization, and Punctuation for Legal Transcriptionists – Over 80 pages of legal terms and phrases in a downloadable and printable format.
- Legal Terminology
- Spelling
- Transcribing Numbers

Module 4 – *Microsoft Word for Legal Transcriptionists*

Upon completion of Module 4, students will be able to properly notate transcripts, use shortcuts to increase typing speed and accuracy, and employ spell check and other functions of their word processing software to produce accurate and readable transcripts.

- Commonly Used Transcriptionists' Notations
- Spell Check, Search + Replace, & Modern Usage Notes
- Shortcut Keys
- Screenshot and Video Tutorials

Module 5 – *Legal Correspondence & Practice Dictation*

In Module 5, students master the transcription of most documents produced by attorneys and other legal professionals.

- Introduction to Transcription in the Law Office
- Letters and Memos
- Transcribing EBTs (Examination Before Trial)
- Transcribing Attorney-Client Consultations
- Property Deeds
- Midterm Review

Module 6 – *The Legal Process and Court Procedure*

In Module 6, students gain knowledge of the different types of law and how a case moves through the legal process.

- Definition and Descriptions of Types of Law
- Steps in a Civil Case
- Steps in a Criminal Case
- Anatomy of a Court Transcript

Module 7 – *Forms and Templates*

Upon completion of Module 7, students will be familiar with the various legal documents used in judicial proceedings. Downloadable templates are provided.

- Sample Court Templates
- Numbered-Line Blank Pleading Paper (Template and Instructions)
- State & Federal Court Approved Legal Forms

Module 8 – *Practice Transcription of Court Proceedings*

In Module 8, students will master transcribing court proceedings with recorded audio practice files.

- Transcription Guidelines for a Court Transcript (Includes Video Tutorial)
- Practice Trial Transcriptions

Module 9 – *Depositions*

Upon successfully completing Module 9, students will have an understanding of the deposition process and will have completed several practice deposition transcription files.

- Guidelines for Transcribing Depositions (Includes Template)
- Deposition Practice Transcription Files

Module 10 – *Law Enforcement*

Upon completion of Module 10, students will have experience transcribing various types of law enforcement transcripts.

- Law Enforcement Transcription Overview
- Law Enforcement Practice Transcription Files

Module 11 – *Conferences and Legal Association Meetings*

In Module 11, students will master the art of transcribing legal meetings and conferences from recorded video files.

- Overview of Conference Transcription
- Conference Practice Transcription Files (with Video Files)

Module 12 – *Time Coding for Legal Transcriptionists*

Upon completion of Module 12, students will be proficient at producing legal documents that include time stamps.

- How to Insert Time Codes in Legal Documents (Includes Video Tutorial)
- Time Code Practice Transcription Files

Module 13 – *Resource List & Final Exam*

Module 13 supplies links to various tools and resources used by the legal transcriptionist, including:

- Writing and Style Guides
- Dictionaries
- Legal Resources
- Medical Resources
- **Final Exam** – the final exam tests all of the skills learned in the course. Upon successfully passing the final exam, students will be awarded Certificates of Completion and will move on to learn how to build their legal transcription business.

Module 14 – *Building Your Business*

After passing the final exam and demonstrating proficiency in the art of legal transcription, students will learn to market their new skills.

- Income Guidelines and Setting Your Rates
- How to Handle Finances and Taxes When Working as a Freelance Transcriptionist
- Developing a Business Plan
- Marketing and Advertising
- Customer Service Essentials
- Connecting with Clients
- Top Business Directories for Local Marketing
- Where to Find Contract Work
- Opportunities for Expanding Your Services

BONUS – *Transcriptionist Pro Website Theme*

This bonus content provides graduates with their very own professionally designed transcription service website template with full tutorials to customize as desired.

Additional Information

Although the course is available online 24/7 and is self-paced, students should be prepared to spend at least two months to six months, depending on their own schedules and the amount of time they have to devote to study, to complete the course. Certificates are not automatically awarded. The student must demonstrate proficiency in all subject matter covered in the course.

Students receive lifetime access to the course content, the support forum, and all updates to the course curriculum.
