

System Overview

All graduates of O23 Coaching & Business will leave with their own high-ticket Signature Coaching System, equipped with all of the tools to guide and Coach a client through life-changing transformation, impacting the client themselves and the important people and things around them.

Along with having a high-level Coaching system, all graduates will receive intensive Business & Sales mentorship, as they set forth and begin enrolling their first clients. O23 Professionals will now have a clear and distinct way to separate themselves from the field as an industry expert and authority.

The O23 program is a complete package from learning the Holistic Systems that make us unique, to building and packing a signature Coaching System, to streamlining the service and sales for financial freedom and prosperity.

Our system is the most innovative and complete Coaching Development program in the industry today.

The program consists of 12-weeks of Coaching and Business Development (Phases 1&2), followed by a 4-week* intensive Sales Mentorship (Phase 3).

*This portion of the course is a minimum of 4-weeks, or until the Coach is actively enrolling new clients and has recouped his/her investment on our program.

Summary:

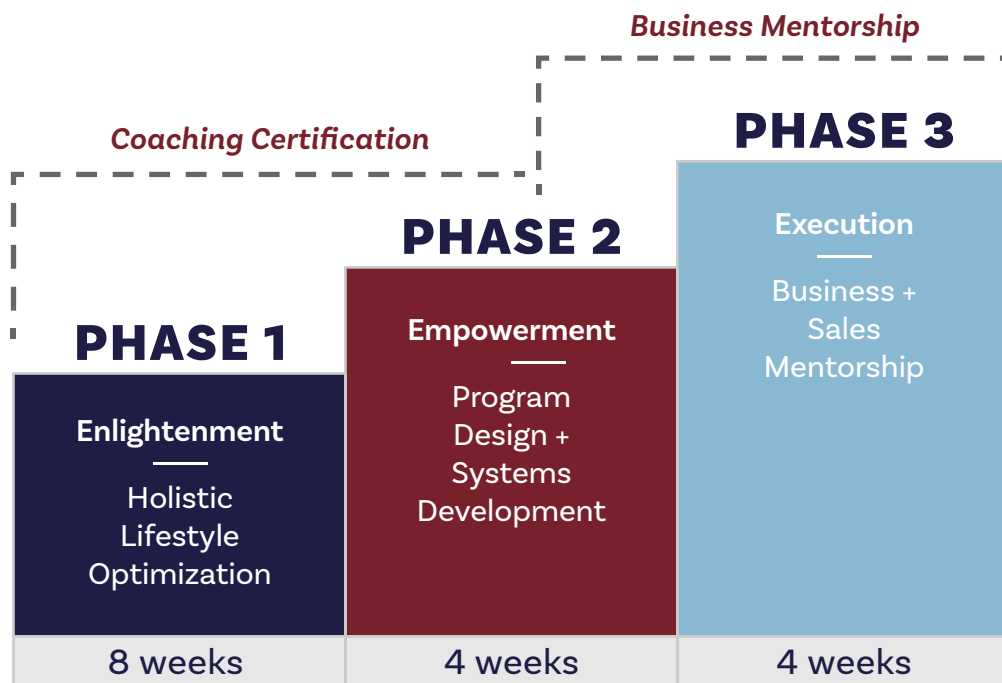

Phase 1 - Enlightenment - 8 Weeks - Holistic Lifestyle Optimization

Phase 2 - Empowerment - 4 Weeks - Program Design & Systems Development

Phase 3 - Execution - 4 Weeks - Business & Sales Mentorship

Each week Coaches will indulge on approximately 2 hours of video modules and development exercises. Coaches will also receive 1-1 Mentorship calls every single week, as well as access to all O23 Group Coaching Calls.

Being a Mentorship, each Coach will move through the program as an individual, receiving highly-individualized Mentoring regarding the specifics of their business and career. The combination of our comprehensive 80+ Video Module Course,, and the immersive 1-1 work, is what distinguishes the O23 program from the rest of the industry as the clear leader in both high-level Coaching & high-ticket Business Systems

Phase 1 - Enlightenment - 8 Weeks

Purpose: In the first Phase of the program, Coaches will get to experience our innovative Holistic Lifestyle Optimization system first hand. We do this by educating Coaches on our unique methodology as well as Coaching them directly on their own journey towards self-mastery.

Process: The process includes our thorough L.O.O.K Assessment, our trademark L.E.A.P Accountability protocol, 8-weeks of comprehensive video modules, and of course, intensive 1-1 Coaching.

Payoff: By the end of Phase 1, Coaches will have embarked on a new journey towards optimization and self-mastery, aligning the most universal Laws of Nature with our modern day lifestyle to chase the limits of health, wealth, and happiness. As Coaches move through this Phase of the program, the focus is on the Self, with an emphasis on guiding others on the same journey.

Week 1 - The Science of Nature and The Nature of Science

Week 1 is dedicated to taking a hard look at the state of human health, the broken systems that got us here, the failing attempts to get us out, and the obvious incongruencies between our modern lifestyle and our natural design.
