WHAT IS THREE STREAMS.TODAY?

The 3Streams.Today Church organization is a NEW initiative of the Shiloh Baptist Association to provide additional resources to individual churches, pastors, laity, students and families. In the current environment of upheaval and uncertainty, it is more important than ever to be connected to 24/7 online streaming access to great spiritual and educational resources.

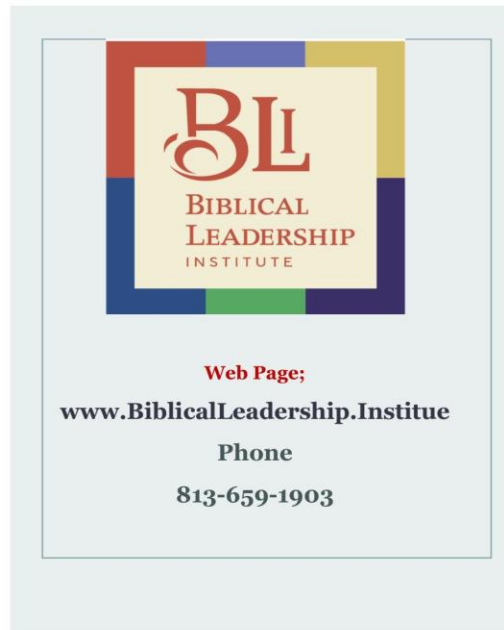

3Streams.Today is also an online Baptist church and accepts *individual associate membership* of Christians, while allowing the individual or family to maintain their primary membership at their local church where they continue to give their tithe and attend services when it is safe to resume doing so. All you need to do is join the 3Streams Church group under the auspices of the Shiloh Baptist Association. 3Streams promotes and connects churches and individuals with the local, national, and global missions of the Southern Baptist Convention.

3Streams.Today connects the community to the Association churches, and others of like faith, by having them online, available in a group where individuals or families can log on to their website any day and interact with their live/recorded broadcasts. Churches that do not have broadcast capabilities may elect to be assisted to participate through the 3Streams.Today facilities Technical Support Team.

Through **the 3Streams.Today ministry partnership** with three other organizations, the entire resources of **Biblical Leadership Institute**, **Sampson Resources**, and **FaithLife Resources** are available to evangelize, develop advanced discipleship, and provide a virtually unlimited online video catalogue of leadership opportunities. Our desire to provide educational and resource assistance for small and medium-sized churches has led us to offer these programs. In addition to the online resources, robust social media training is vital in today's business and leadership success. We evaluate and provide current, relevant, insightful and useful content for spiritual, academic and social media training and mentorship, internship opportunities and other benefits.

WHAT IS BIBLICAL LEADERSHIP INSTITUTE AND HOW DOES IT BENEFIT YOU?

Biblical Leadership Institute is the training ministry arm of Shiloh Baptist Association with various colleges and seminaries to provide rich, useful spiritual, practical instruction and content on a wide range of subject matter.
