

THE BUSINESS BUILDER PROGRAMME

**Synergy Success Network (SSN) are proud to introduce to you
our Membership Platform.**

**SSN Have built a fully on-line Membership Platform, giving you
access to the SSN Business Builder Course and a host of other tools
& bonuses to help propel your life & business to new levels!**

**The Business Builder Programme (TBB) has been built
for Entrepreneurs operating in the Construction Industry.**

**TBB is a full end to end, step by step business guide to help you
plan, develop & build a '7' figure trades business.**

**Read on below to find out all of what is available to
you by becoming a Business Builder Member**

THE BUSINESS BUILDER PROGRAMME

- **8 x educational on-line home study modules**

Made up of 50 video lessons and practical exercises that you can access anywhere with an internet connection on your laptop, mobile device or tablet

- **The Power Team**

Access to a pre-selected & approved Team of experts that can offer the best professional services in every area of outsourced support that a construction business would need.

- **Best Practise Forms**

Access to over 100 template forms that a construction business will need. Including - business plans, financial plans, estimating & surveying templates, risk assessments, method statements and so on!

- **The Business Builder Community**

A private & exclusive Facebook community group that offers peer to peer support from fellow students on the programme.

- **Affiliate Partner Scheme**

10% commission for everytime you refer TBB to someone that results in a sign up. What this ultimately means is that we pay you to bring people on this journey to build businesses, making your own investment into the course becoming cost neutral & even profitable!

At SSN we believe in the win, win concept and with our Membership Platform that is exactly what happens, everyone wins!

We are not pushy sales people & we speak your language (within reason), learn the methods from a Qualified Painter & Decorator who walked this path and is now a successful Serial Entrepreneur with multiple thriving businesses with a passion to help other business owners reach the success they are searching for!!
