

Soularize 2021- a global hybrid learning party
Virtual 6/1 thru 2021 & Live 10/21-23
20 Year Anniversary!

Soularize at a Glance

Soularize 2021 is a global learning party—a collaborative community built just for spiritual innovators like you. As faith communities around the world begin to envision a post-pandemic society, we need to **engage, connect, and unleash** collaboration and creativity. Our desire is to provide a space to **interact, discover** new and diverse voices, **build relationships**, and **grow resources** to help encourage and launch projects.

- * **Engage.** Soularize brings together like-minded people and new voices from the fringe. We'll participate in crucial conversations, get feedback, and refine our ideas. Interact with workshop content and presenters ahead of time via our app.
- * **Connect.** Our app enables you to connect with other attendees in multiple ways. Explore each other's passions and projects; set up virtual meetups; have impromptu face-to-face conversations; instantly share contact information; participate in Soularize LIVE locally by attending a **Village** gathering.
- * **Unleash.** At the heart of our community is collaboration and creativity. Move from passive observation to active contribution by using the virtual platform to participate in our unique **Pitch Gallery** featuring Start-Up Pitches, Workshops, and an Art Gallery.

This year's theme is focused on **Humane Spirituality**. We are invited to explore the question, how might we reframe issues to *inspire human dignity* to all, through the pursuit and practice of empathy, equity, and inclusivity?

Soularize 2021 exists in a hybrid format that blends local and global engagement. Our app is your key to participating from anywhere in the world. During the months leading up to Soularize LIVE, you'll have the opportunity to present ideas, ask questions, and collaborate with a diversity of innovators. Then in October, we'll gather as a community.

Join Soularize LIVE in Southern California, watch with your local Village, or stream our content online from wherever you are.

Spiritual Innovators: Soularize is created by and for innovators and early adopters. We don't need to force discovery of the new or different. It's the essence of why we do what we do. It's the animating force that drives our curiosity and enables us to fearlessly embrace the unknown.

We can be found among artist activists, community change-agents, business entrepreneurs, church leaders, visionary educators and even in the most unexpected vocations. We believe a better world is possible. Since 2001, Soularize has nurtured this unique audience, fostering relationships, hosting conversations around taboo topics, and awakening alternative movements. Join us!

20 Year Anniversary!

When is Soularize 2021?

Soularize app – available 6/1 through 12/31/2021
(*Network Pass required*)

Soularize LIVE – 10/21–23, Fullerton, CA
(*Fullerton Pass, Network Pass, or local Village required. See Ticket section for more details*)

Villages & Pitches

The **Village** model is designed to unleash your entrepreneurial spirit, moving beyond the traditional satellite event hierarchy. As a host, you will join this revolutionary hybrid learning party from the context of your own community, while still having global impact. You create our own local event by choosing the Soularize content you want to stream and contributing the content you want to share. Then customize the experience for your own community by including local artists, experts, meals, and more.

Our **Pitch Gallery** invites participants to submit, interact with, and vote on innovative projects and topics in three different categories: *Start-ups*, *Workshops*, and *Art Gallery*. The Art Gallery features dedicated searchable categories that include Photography, Short Film, Music, Music Video, Spoken Word, Graphic Art, Short Story or Other. Schedule live presentations to practice your pitch, engage the Soularize community and get feedback, and network to launch collaborative efforts. All submissions will be evaluated for possible inclusion in Soularize LIVE in October.

Program

Soularize LIVE: The 3-Day hybrid learning party features diverse keynote speakers, unique panels, workshops, networking events, and more. The program will be streamed to virtual attendees via our Network Pass and through local gatherings known as Villages.

Virtual Network Experience: Connect and engage via the Whova app in the months leading up to the Soularize LIVE. Features rich interactivity for networking, Q&A, live polling, and video conferencing.

Multiple contests: Designed to motivate spiritual entrepreneurs to submit innovative ministry concepts and works of art within the theme of Humane Spirituality.
