

JOIN THE MISSION

Thanks for being willing to join the fight!

In Galatians 6, God calls those who are spirit-led to gently restore those caught in sin. We need men and women to be willing to take a stand in our hyper-sexualized world.

Here are four practical ways you can take action right away:

1 Pray for specific people in your life who struggle with sexual behaviour and for the global church to be healthy sexually.

2 Educate yourself on God's design for sex in these 4 areas: scripturally, scientifically, emotionally, and relationally.

We will be continually producing resources addressing sex and porn from these vantage points. Join our Spread the Word team at www.restoredministries.ca to stay up-to-date

3 Talk to your pastor about starting a program, group, or series in your church. If you are unsure of how to go about this, email support@restoredministries.ca with your questions. Our Boot Camp is a great resource for small groups.

4 Share your story. If you have a history of struggling with sexual behaviour but have found freedom, find ways to share your story with those who could be inspired by it.
