

PANDEMIC HR CONSULTING

We help companies hire, coach and lead high-performing virtual and onsite teams in the age of COVID-19

PANDEMIC HR CONSULTING OVERVIEW SERVICES

The COVID-19 pandemic has been a significant source of disruption and rapid change affecting our workplace and employees. At Toni Navy International (TNI) we provide LLCs, companies and corporations practical HR solutions in hiring, streamlining HR processes and leadership training for a virtual and onsite workforce.

Let us establish, communicate and implement workplace policies, infrastructure and programs to manage employees, address safety concerns and maintain compliance throughout this pandemic and beyond. We'll also show you how to leverage the right automated systems that can be used across the company via any device and around the world.
