

# Peak Portfolio

Peak Portfolio consults with Fortune 1000 companies on technology strategy, sourcing, and M&A.

Our Strategy practice has helped some of the world's largest chains to chart their path to achieve rapid growth and global technology leadership positions in the marketplace.

Our consultants have significant experience in two of the top 7 global quick-service chains in addition to several large restaurant, retail, and hotel chains:

- > Strategy
- > Planning
- > Roadmaps
- > Architecture
