And More Inside...

BI Family, we need you to transfer some of that Black Friday energy into your investment practices. Black Friday comes around once a year; however, if you look in the right place, you can always find a company on sale.

Here are a few companies we recommend reviewing, let's call them our **2020 Brown Friday Deals**.

Arianna
CEO and Founder
Brown Investors

BROWN FRIDAY DEALS

COTY

BEAUTY, LIBERATED

Coty Inc. (COTY) is a multinational company that has its hand full of everything beauty. It specializes in fragrances, cosmetics, and even hair care products, among others. Currently, it has a market cap of 3.67B and, it's sure to keep growing. It's considered a strong buy.

SALLY BEAUTY

HOLDINGS, INC.

Sally Beauty Holdings (SBH) has had a better year than most beauty companies. It is a stock that a lot of investors have been eyeing all year round. As a value investor, this stock is off to a great start. With a P/E Ratio of 9.96, it's worth a look this Black Friday. At the moment, the market cap is 1.16B.

Pacific Gas and Electric Company (PGC) deals with selling and delivering natural gas and electricity. Although the shares decreased during the pandemic's uncertain times, it won't stay like that forever. A long term investor should take advantage of the stock price now. Currently, the market cap is at 22.62B.

Party City

Party City (PARTY) retails and wholesales gifts, accessories, latex balloons, novelties, and also paper and plastic tableware. It has a market cap of 345.22M.

BROWN FRIDAY DEALS

**BED BATH &
BEYOND®**

Bed, Bath & Beyond (BBBY) is also an excellent value investment. And the deals this holiday are sweet, going up until Cyber Monday. From the recent turnaround, this company is off to tremendous growth. Their online store is booming. The market cap is at 2.55B.

CRONOS
G R O U P

With successful cannabis brands from the Crons Company, there is no denying this stock's attractiveness. Cronos Group (CRON) currently has a market cap of \$2.53B.

GameStop®
POWER TO THE PLAYERS™

GameStop Corp (GME) is a valuable investment. It's a gaming company. And the stock is not yet too costly to get a taste of it. Currently, the company has a market cap of \$717.43M.

BARRICK

Barrick Gold (GOLD) Corporation is a mining company that specializes in gold and copper. This company is one of the best value gold stocks to invest in at any time. The market cap is 46.04B.

BROWN FRIDAY DEALS

DBV Technologies (DBVT) is a clinical biopharmaceutical company. The company has come up with an original technology for administering allergens to the whole skin. It is currently working to obtain FDA approval of a peanut allergen. DBVT stock has been on the rise in the recent past. And it's set to do so in the future. With a market cap of 272M, it's a fat growing company. If you are a long term investor, then it's worth checking out the deals on this stock.

Bottom line: Buying stock on SALE, gives you a warm fuzzy feeling and makes investing all the more fun. Like I told you — I LOVE A DEAL! Happy Black Friday (aka Brown Friday)!
