Hello Friend!

Thanks for your interest in promoting the Great Commission to the next generation. All throughout my life, I have been involved in local and global missions; and in May of 2017, I graduated with a bachelor's degree in Christian Ministry from Christ for the Nations Institute in Dallas, Texas (with a Pastoral/Leadership focus).

Initially, I will be based in the Columbia Gorge in Oregon, focused on global missions with Harvest Ministry / Mission-Minded Families, directed by Jon & Ann Dunagan (my parents). During the summer and fall of 2017, Lord willing, I'm planning to minister on a couple international mission outreaches along with being a voice for missions here in the Pacific NW. My goal is to speak face-to-face to at least 1000+ young people, by mid-January of 2018.

I'd be honored to talk with you, at your convenience, in person or by phone – to see if I could help you to promote a heart for God and missions to people you know (to kids, youth, or anyone). Just send me a text or email and I'll give you a call (with no obligation).

Hoping to hear from you!
