

# EMPOWERED to HOPE

OCTOBER 18-19, 2021  
CLEARWATER, FL

## AN IMMERSIVE PD EXPERIENCE FOR EDUCATORS

The Empowered to Hope Retreat is for all youth service providers including: principals, program directors, teachers, counselors, social workers and other child advocacy professionals.

Instead of running between quick breakout sessions, attendees can expect an immersive, professional development experience. This 2-day event focuses on relationship building and developing community among professionals with a common goal...student success!

Together, we will address the most pressing topics in education today with easy-to-implement, practitioner-developed strategies.

Topics/ Objectives:

Culturally Relevant Social-Emotional Learning  
Trauma-Informed & Restorative Practices  
Leading with Empathy  
Educator Self-Care & Wellness  
Building Hope-Centered Communities
