

SPENCERIAN GUIDESHEET PACKET

How to Use these Guidesheets

These guidesheets are specifically made for practicing Spencerian Script. The slant line is set to 52° and I've included both 4mm and 6mm. There are 3 guidesheets included in this packet:

1. Ratio 2:1:2 - 4mm guidesheet
2. Ratio 2:1:2 - 6mm guidesheet
3. 52° Slant Only Guidesheet

Ratio 2:1:2 means that the ascender/descender space is double the x-height. Remember to use the guide lines and slant line to help you along as you practice the letters. Enjoy!

PRINTING INSTRUCTIONS

If you want to write directly on these guidesheets, I recommend HP Premium32 Laserjet paper. You can also print these guidesheets on regular copy paper and put a sheet of translucent paper on top for practice. I like either the Canson Pro Layout Marker Pad or Borden & Riley #37 Marker Layout Pad. For the slant line only guidesheet, you can place that behind Rhodia graph pads.

LEGAL NOTE

These guidesheets are copyrighted and are intended for personal use only. Please do not re-distribute, copy, or share with others without permissions from Younghae Chung. Thank you!
