

Dear K-1 Family,

Wow!! We are amazed at all God continues to do at K-1. He never ceases to amaze us with His grace and mercy.

Even, as we write this letter our hearts are bursting with the joy of blessings received, both the seen and unseen, on the road ahead.

Recently our all-knowing Heavenly Father made it clear to the Coopers that our time at Kanakuk was coming to an end. We love this ministry! Christ has used Kanakuk to profoundly impact the Cooper Family. For that we are so grateful. It has been a tremendous honor and privilege to serve beside such wonderful people, and to be given the opportunity to be used by the Creator as a part of Kanakuk life. To the old saying, "All good things must come to an end", I would add, "but the greatest things don't". Our time at Kanakuk may be coming to an end, but the things that really matter...Godly relationships...will last forever. Please hold loosely to things that are good and hold tightly to the things that are great. Diane and I will hold tightly for the rest of our lives to the lifetime relationships we have built at Kanakuk.

As clear as God's guidance has been we are just beginning to think about what might be next for us.

We have a few things to do to finish up our work here as we wait on the Lord for the next step.

We are thankful for your well wishes, and want most for you to embrace those around you with the love of Christ.

Holding tightly,

Kris and Diane
