

InTouch Viewpoint™ Quick Start Guide

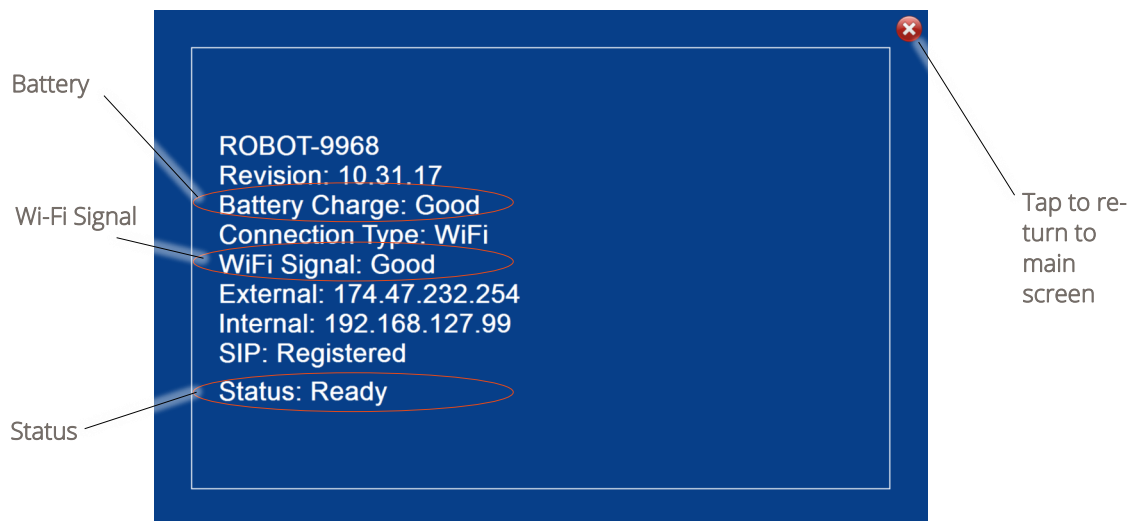

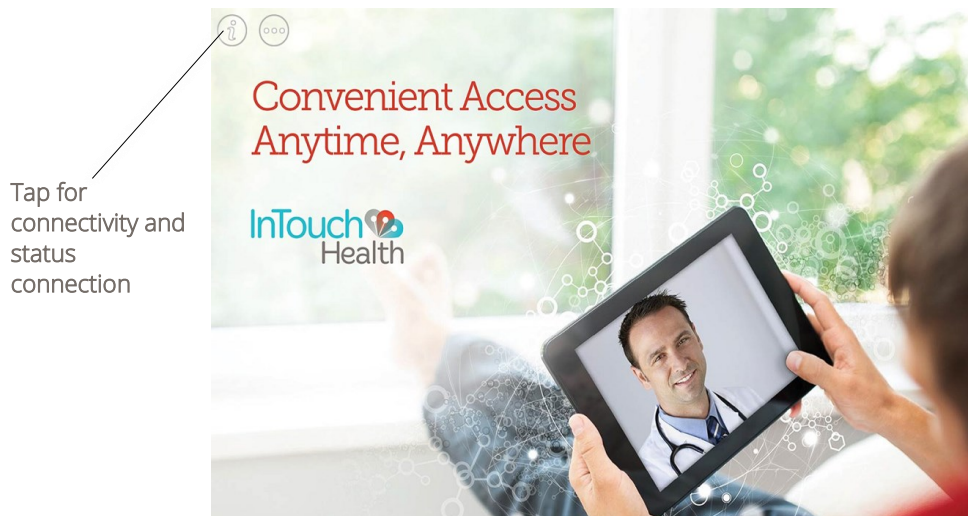

Turning on InTouch Viewpoint

1. Plug your InTouch Viewpoint device into a power outlet.
2. Press the **Power Button** to turn your device on.

CAUTION: The InTouch Viewpoint should be plugged in whenever it is possible so it is fully charged and ready for a consult.

3. Log into your desktop and double-click on the icon named **Robot**.  Once the screen shown below appears, the InTouch Viewpoint software is running.
