Like Niagara falls , like a much desired luxury,
Like a crystal waterfall which flows from the ceiling.

Like a mountain of ice which gleams mysteriously.
Like subdued candlelight.

Like enthusiasm which has the courage
to pave new ways without looking back.
Like wisdom which stems from tradition,

interpreting the key to the future.

Like Kaleido, a new collection with striking features

launched by Italamp by drawing on the best resources
of our experience, knowledge of tradition, technology

and Design.

We can't touch the light, but light is a special touch
which evokes feelings and ambience.

Every light is its own light.
A world opens up in every Kaleido composition.

Come in, feel it, live it.

Come le cascate del Niagara.
Come un lusso che si rivela dopo tanta attesa.
Come la complicità di un chiarore di candela.
Come una fontana di cristalli che sgorga dal soffitto.

Come una montagna di ghiaccio che manda bagliori
misteriosi.
Come l'energia di un progetto che ha il coraggio di aprire
strade nuove senza voltarsi indietro.

Come l'intelligenza di una visione che fa tesoro della
tradizione, interpretandola in chiave di futuro.

Come Kaleido, una nuova collezione dai tratti sorprendenti

lanciata da Italamp attingendo alle migliori risorse
della nostra esperienza, conoscenza della tradizione,
della tecnologia e del design.

La luce non si può toccare ma è un tocco che fa pulsare
sentimenti e ambienti.

Ogni luce è una luce a sé.

In ogni composizione di Kaleido si apre un mondo.

Entraci. Attraversalo. Vivilo.

Exclusive high-end lighting, designed and made in Italy, since 1975
Italamp develops and manufactures products entirely in Italy that stand out for their distinct personality and for the use of traditional techniques that guarantee the highest quality and uniqueness of each creation.

Azienda leader nel design dell'illuminazione Made in Italy, dal 1975.
Italamp sviluppa e realizza interamente in Italia prodotti che si distinguono per la spiccata personalità e per l'utilizzo di tecniche della tradizione che garantiscono la massima qualità e l'unicità di ogni creazione.

Our products are cared for in every detail, the refraction of light is a key aspect in creating an elegant atmosphere that can give off a timeless appeal.

I nostri prodotti vengono curati in ogni dettaglio, la rifrazione della luce è un aspetto fondamentale per creare un'atmosfera elegante, in grado di sprigionare un fascino sempre attuale.

Our products are embellished with unique glass and crystal.
The craftsmanship always considers the result to be achieved:
the transparency, the brilliance, the grace of a product
that has crossed ages and histories, sought after for its beauty
and its nobility of living as a natural material.

I nostri prodotti sono impreziositi da vetri e cristalli unici.
La lavorazione artigianale tiene sempre conto del risultato a cui si deve arrivare:
la trasparenza, la brillantezza, la grazia di un prodotto
che ha attraversato epoche e storie, ricercato per la sua bellezza
e per la sua nobiltà di materia viva e naturale.

The compositions are suggestions to stimulate the imagination and creativity of the viewer, a concrete tool in the service of design. Please be advised that the color of the glass varies slightly from what is shown in the pictures. All products in the ITALAMP collections are carefully created using craft techniques, all glass components are handmade and for this reason the single element shape might vary slightly. These variations are not imperfections but characteristic peculiarities of the production process.

Le composizioni sono suggestioni per stimolare la fantasia e la creatività del cliente, uno strumento concreto al servizio del design. Si prega di notare che il colore del vetro varia leggermente da quello mostrato nelle immagini. Tutti i prodotti delle collezioni ITALAMP sono realizzati con cura utilizzando tecniche artigianali, tutti i componenti in vetro sono realizzati a mano e per questo motivo la forma del singolo elemento potrebbe variare leggermente. Queste variazioni non sono imperfezioni ma caratteristiche peculiarità del processo produttivo.

○ . COLOPHON

Ogni prodotto Italamp è corredato di una documentazione contenente tra l'altro il certificato di autenticità e la scheda di collaudo. In caso di reclamo il cliente dovrà sempre fornire copia della scheda. Sulla scheda sono contenute anche le istruzioni per un corretto montaggio dell'articolo.

Italamp non risponde per eventuali danni a persone o cose causati da una non corretta installazione dei propri apparecchi di illuminazione, da un uso di lampadine non conformi e dalla modificazione delle caratteristiche tecnico costruttive.

La ditta si riserva di apportare ai modelli ogni modifica estetica e tecnica che a suo insindacabile giudizio ritenga necessaria.

Il marchio **CE** è un marchio europeo di garanzia che certifica la qualità del prodotto e la sua rispondenza ai parametri di sicurezza previsti dalle normative CEE.

Italamp può fornire per la quasi totalità dei suoi articoli la certificazione con marchio UL. In tutto il mondo UL testa prodotti secondo i requisiti di sicurezza statunitensi per un accesso sicuro ovunque nel Nord America. UNI EN ISO 9001/2015 certifica in maniera stabile l'alta qualità e la grande affidabilità di tutti i processi produttivi aziendali della produzione Italamp. Italamp è un marchio registrato.

ATTENZIONE: I colori visualizzati, per noti motivi tecnici, sono indicativi e possono differire dall'originale: la reazione dei colori, vetri, texture, vernici e metalli varia a seconda dello spessore e delle dimensioni complessive del prodotto ma soprattutto della luce che batte sulla superficie complessiva. ITALAMP si riserva il diritto di apportare ai prodotti le modifiche che riterrà più opportune, in qualsiasi momento e senza preavviso.

Tutti i nostri modelli sono depositati e quindi coperti da brevetto. Questo catalogo è tutelato dalla legge sui diritti d'autore (legge 22/4/1941 n°633 e dalla legge 14/12/1942 n°1485).

È vietata ogni riproduzione anche parziale dello stesso.

Each item is equipped with its own documentation including a certificate of authenticity and a card with instructions for quality control inspections. In case of complaint the customer should send us a copy of this card, which also contains instructions for correct assembling of the fixture.

Italamp is not liable for incidental injuries or damage to people or things due to: incorrect installation of the fixtures, use of not suitable bulbs, modification of the original technical features of the items. The company has the right to modify any model for both aesthetic and technical features when necessary, according to Italamp's unquestionable judgement.

The **CE** label is a European guaranteed mark.

It certifies product quality and its compliance with the safety standards stated by EEC regulations.

Italamp can provide for most of its products the UL certification. Worldwide, UL tests products according to U.S. safety requirements for secure access anywhere in north U.S.

UNI EN ISO 9001/2015 steadily certifies the high quality and the great reliability of all Italamp production processes. Italamp is a registered trademark.

WARNING: The colors displayed, for known technical reasons, are indicative and may differ from the original: the reaction of colors, glass, textures, lacquers and metals varies depending on the thickness and overall size of the product but especially the light that beats on the overall surface. ITALAMP reserves the right to make any changes to the products it deems most appropriate, at any time and without notice.

All our items are registered and covered by patent.

This catalogue is copyrighted and protected by the italian law (22/4/1941 n°633 and 14/12/1942 n°1485).

Any reproduction of this catalogue is strictly forbidden.
