

kingsway

christian church

Thank you for taking the time to learn more about our open positions here at Kingsway Christian Church. Kingsway is seeing people come to know Christ and our people equipped to make disciples to impact our community and world and we have been praying for team members to join us in fulfilling our purpose of becoming more like Jesus. God is transforming Kingsway on every front as we make this a place for families to find hope and meaning. We just launched a new Kids Wing and more effective kids check-in process that offers a true experience for kids and their parents to want to return again and again. Kingsway is a place to celebrate God in worship, share in community with friends, and demonstrate compassion to those in need in our community and world. For us these values are true actions as we connect with God and others, serve those around us, become generous givers, and prayerfully invite others to join us on this journey in becoming like Jesus. That's where you can come in. God can fully use your skills, gifts, talents, and abilities to help accomplish His purpose in us.

At Kingsway, our Purpose is "To become more like Christ". Kingsway is driven to equip and put into action followers of Christ who are becoming more like Him while devoting everything in fulfilling His purpose for their lives. We love God, love one another, and love the world.

As a staff, we are led by our Lead Pastor, Matt Nickoson and an amazing Executive Team that leads by example. Here at Kingsway we dream big, value others, and inspire people to action. Our mission of making disciple of all nations is vital to all we do and are. If you want to be a part of our servant-leadership team do you dream big? Do you value others? Do you inspire people to action? If so, then take the first steps of joining others like yourself in sharing a worthy mission to redeem a lost world to Christ.

The dreams of Kingsway require God and others to accomplish. That is why we see each staff member as a valued team player. For this reason, we offer competitive salaries, full Medical, Life & LTD insurance packages and contribute to our staff member's retirement accounts through a 403b. All our staff receive time off yearly through vacation, sick time and most recently, development time. Development Time is time and money we set aside for each staff member to further develop their hearts, skills and experience. Staff can use this time to serve on short-term mission trips, conferences, seminars and additional trainings each year. Missions is at the heart of all we do here at Kingsway, so regardless of your position we expect staff to be fully engaged in mission experiences in our community, nation, and world.

We'd love to talk with you about joining our team! All interested applicants must submit an online application & resume to be considered for employment. For more information about who we are, check out www.kingswaychurch.org/about.
