

Dale Justis

My wife Sharon and I have been married 55 years and have a son, Greg and a daughter, Wendy. We have three grandsons and one granddaughter.

I grew up in the small town of Mason, WV along with my sister. Growing up, I played a lot of baseball, which was my sport of choice. After graduating from high school, I went to Indiana Institute of Technology (Nor Trine) studying Electrical Engineering. I went to work for Public Service Indiana (Now Duke Energy) as an engineer and spent most of 33 years there in management.

I grew up in a Christian family and accepted Jesus as my Savior as a teenager. My wife and I have been a part of a church our entire married life

and have enjoyed serving in many different areas of service. Since retirement, I have been blessed to serve Care India as their Director for the last 18 years.
