

MISSION PARTNERSHIPS

Kingsway is looking for strategic ministries all over the world to serve alongside and help fulfill the command to make disciples and to advance the Gospel to all nations.

PRIMARY: INVOLVEMENT

Building a relationship with partners is our primary focus. We want the people of Kingsway to be able to serve side-by-side with your ministry. Our main objective is to have our people help your ongoing ministry and in return your ministry will help our people get the vision of how God sees the world.

Who

We choose to partner with those we can serve alongside. We believe that this occurs best when our partners actively engage with our mission trip leaders throughout the entire planning process.

Short term mission trips at Kingsway are about building relationships through meeting spiritual and physical needs.

SECONDARY: INVESTMENT

As partners, we see financial support as a secondary objective. Money fuels the mission, but it is not the mission. Kingsway's investment is both our people then our funds, in that order.

Why

Our vision for each short term mission trip is to:

- Advance the Gospel
- Transform both the people we are serving and our team to become more like Christ.
- Help each other through the disciple making process
- Support on going ministry with our partners
- Relaunch our people to serve locally

How

If you feel called to pursue a partnership with Kingsway, please fill out the partner application, found at kingswaychurch.org/missions.

Once your application has been processed, a member of the Kingsway Mission department will be in contact to discuss next steps.

PARTNERSHIP LEVELS

Kingsway Christian Church offers 5 different levels of partnership. All partners can move up and down from level 1 to level 5 from year-to-year based on the parameters set within each level.

Getting Started

After your application has been reviewed, the next step will be an on-site visit of two or more leaders of Kingsway. During this on-site visit, the expectation will be to discuss the objective, mission strategy, logistics, and return on investment of a partnership.

If you are selected as a partner, after the onsite visit, you will start at level 1.
