Hello Kingsway Family,

We want to share some important updates with you in light of the rapidly developing coronavirus situation. As you know, we're in a situation we've never been in before and things are continually evolving.

Our leadership has been meeting daily about this health concern, seeking wisdom and information from the Centers for Disease Control and Prevention (CDC), our state and local health departments, and now in light of Governor Holcomb's announcement, we have made the decision to move our weekend programming this Sunday, March 15 to an online experience at kingswaychurch.org. Please join us this Sunday at 9:15 or 11 am!

As we met, leadership continued to ask ourselves this question, "What decision is in the best interest of our community?" As a community directly affected by COVID-19, we support the guidance to maintain social distancing and limit large group gatherings to reduce the spread of coronavirus. [Please watch this video](#) from our Executive Team walking you through our decision.

In the face of this obstacle, we as the church have an incredible opportunity to bring hope and life in a moment of anxiety and fear. Every day we are impacting the lives of those in our community and we will continue to identify ways to meet the needs brought on by this global event. If you find yourself in a time of need, be it prayer or otherwise, please let us know. We would welcome the chance to pray with you. You can let us know how [here](#).

What you need to know:

- You can still connect and engage with our Kingsway community through our Kingsway Facebook group and through our text options such as "CONNECT", "PRAYER", and even "GIVE" to 317.565.4911.

Romans 8:28 says, 'And we know that in all things God works for the good of those who love him, who have been called according to his purpose.' Although we are in uncharted territory with this pandemic, as defined by the World Health Organization, we see this as an incredible opportunity for the Gospel! We want Kingsway Christian Church to be a blessing and the most loving place to the Avon community. This happens not just on our campus but through each of you.

We love you and look forward to seeing you online this Sunday!
