

Patrick Sturgeon

I have had the privilege of being married to my wife, Bobbette, for 24 years. We were both raised in the church and both renewed our commitment to serving our Lord in the first year of our marriage. I have 4 wonderful children, Patrick Jr., Faith, Keith and Parker. My family and I have lived in Danville for nearly 20 years and have been members of Kingsway since about a year before we moved to Danville (Bobbette was also a member of Kingsway throughout her childhood and early adulthood). It has been my honor to serve in many ministries here at Kingsway over the years. I have led my son

Keith's small group for 10 years. Bobbette and I have been Life Group leaders, co leaders and members of several Life Groups over the past 24 years and doing life with all of them has been one of the most rewarding things in our lives.

I am a graduate of Decatur Central High School (Class of '87) and Indiana University School of Public & Environmental Affairs with a BS degree in Public Health Administration. I have spent my entire career as a health care analytics professional for the past 23 years and currently serve as Director of Business Information within the Quality Data Management department at Anthem, Inc.

I grew up in the church. My grandparents were founding members of Fountain Square Church of Christ in Indianapolis, where my parents were also members until placing membership at Westlake Church of Christ when I was still very young. I accepted Christ as my Lord and Savior when I was 9 years old. I wish I could say I led the perfect Christian life from then until today, but I wandered away from my faith for a time as a young adult and learned the hard way that life without Christ in the center is far more difficult to navigate. Through a series of God ordained events, the Lord guided me back to where I should have remained all along. That was 24 years ago and today I find myself seeking His direction, every day. Surrendering my will to His, every day. I am committed to following His lead every day and serving His church however he calls me to do so.
