

TIME 3:00 - 4:15pm

Clubs begin after school and go until 4:00-4:15. Children can then be picked up at Door 12 at the Aftercare Desk. Any child not picked up by 4:30 will be placed in our Aftercare program until their ride arrives.

Date: February 3 - April 24, 2020

Most clubs run 8-10 weeks and are on a chosen day of the week. They are lead by teachers and educated adults who have experience with children and their club subject.

Afterschool Fun!

It's time for our Spring 2020 Extension Programs! We are excited to offer KCS families the opportunity of educational, safe and fun clubs.

Learn:

Not only will your child be learning about a special topic, but they will also get to have hands on experience in a small group setting. We have limited club class size so that every child can experience the unique one on one experience with their club leader.

Fact:

Hands on experience in an extracurricular activity can help children see and understand things in a way that they never understood before. When all areas of the senses are engaged more essential and creative learning can begin.
